NOTE: This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work has commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. I agree that all provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not give authority to violate or cancel the provisions of any other state or local law regarding construction or the performance of construction.
