1	Getting businesses that employ more people	12/17/2015 11:31 AM
2	Retail - restaurants - street repair - sidewalks	12/17/2015 11:24 AM
3	Lack of EDA and Leadership	12/17/2015 11:14 AM
4	Have all streets redone with upkeep every 2 years	12/17/2015 11:03 AM

9	The Town's lack of sense of self	12/17/2015 10:01 AM
10	Forgetting the elderly	12/17/2015 9:51 AM
11	Commercial and Industry	12/17/2015 9:46 AM
12	Industrial and Commercial business	12/17/2015 9:35 AM
13	Proximity to other towns	12/17/2015 9:30 AM
14	taxes are high, permit costs are high	12/16/2015 4:32 PM
15	To keep taxes low enough which will keep Lonsdale desirable to homeowners and investors, due to the distance from the cities.	12/16/2015 12:06 PM
16	Increase in need of mainstream buisnesses	12/15/2015 11:17 PM
17	families transitioning	12/15/2015 6:30 PM
18	Maintaining a small town feel and community while preserving current businesses, recruiting both small and larger businesses for both Main Street and Industrial Park. In essence - losing the smaller community environment that many moved here to achieve.	12/15/2015 1:58 PM
19	urban growth= not falling into the trap of suburban growth.	12/15/2015 8:47 AM
20	Dining and retail options	12/15/2015 2:45 AM
21	Distance of schools	12/14/2015 11:52 PM
22	Staying small town	12/14/2015 9:09 PM
23	Keeping rural feel	12/14/2015 8:52 PM
24	Paying for infrastructure	12/14/2015 5:59 PM
25	property taxes getting out of control	12/14/2015 12:54 PM
26	Schools	12/14/2015 12:36 PM
27	Getting Main Street going again! We need more business places.	12/14/2015 11:50 AM
28	Road improvement and control of/difficulty with appearance (blight on the community with RV's/boats/food trucks/etc) parked on streets and yards.	12/14/2015 11:37 AM
29	Keeping the taxes low to support a growing infrastructure. Secure a double A bondrating.	12/14/2015 9:17 AM
30	Coming from a back ground in law enforcement and corrections, I feel that the law enforcement in within the town like to make the residents feel like criminals- too punitive. I've been pulled over twice myself and my husband a few times. No valid reason and no valid tickets- even one ticket that was thrown out in court as it was not properly documented.	12/14/2015 9:14 AM

## Lonsdale Comprehensive Plan

31	Expense lots for businesses Not enough places to eat (both sit down and quick)	12/14/2015 8:48 AM
32	Needs more 1st time homes, townhouses and senior living homes.	12/14/2015 8:21 AM
33	Downtown needs redevelopment. Great historic buildings not meeting their potential	12/14/2015 12:04 AM
34	Over coming the growing pains of a once small community to a modern mid sized community. Adapting to the services expected by a mid sized community, public works, police and fire need to adapt to the needs of a growing community.	12/13/2015 11:51 PM
35	Accommodating needs of the community - more activities and amenities in town	12/13/2015 8:17 PM
36	Getting new business's in town	12/13/2015 7:54 PM
37	Revenue/cost issues	12/13/2015 4:51 PM
38	vibrant main street businesses	12/13/2015 4:02 PM
39	An industrial park that was built for the sole purpose of lining Rud's pockets.	12/13/2015 2:07 PM
40	Lack of curb appeal and aesthetics of the city. Bring vibrancy to the city. Encourage people to take better care of their property. See what Northfield has done through their BNC (Beautify Northfield Coalition).	12/13/2015 1:52 PM
41	Filling up the business park and the resulting increased tax base. The success of the business park efforts to date have been a failure in my opinion.	12/13/2015 1:24 PM
42	The division of ideas from long term residents vs new/short term residents. Many of us moved to Lonsdale for the modern small town atmosphere, not for the prospect of all modern conveniences .	12/13/2015 1:22 PM
43	The fact that business don't sustain, Main Street is almost empty. Nothing for kids or young adults alike to do.	12/13/2015 12:41 PM
44	NOT growth, but to maintain the current population and keep the business district active and relavent. MORE is not always better.	12/13/2015 3:26 AM
45	N/A	12/13/2015 12:48 AM
46	Keeping businesses profitable and healthy; adding restaurants and places that draw in people into Lonsdale.	12/12/2015 11:56 PM
47	Expansion that meets the needs of the majority.	12/12/2015 11:56 PM
48	having things in the community for mid school and high school kids to do	12/12/2015 11:13 PM
49	Growing too big too fast. One of the best and most important attributes of Lonsdale is its small town feel. It makes me feel that I am raising my children in a safe community.	12/12/2015 9:33 PM
50	Having people shop on Main Street	12/12/2015 9:08 PM
51	Too many people moving here - loosing the small town feel.	12/12/2015 8:39 PM
52	Continuing to provide existing services with a larger area and population while not increasing the number of regulations to much.	12/12/2015 6:39 PM
53	No more small town feel	12/12/2015 5:40 PM
54	I don't want lonsdale any larger than current size.	12/12/2015 5:21 PM
55	Schools	12/12/2015 5:06 PM
56	It's current Government and City Staff	12/12/2015 4:06 PM
57	job development	12/12/2015 3:56 PM
58	Building businesses that can withstand the time it takes to build a foundation of customers	12/12/2015 2:22 PM
59	keeping the small town feel	12/12/2015 1:08 PM
60	Business (jobs)	12/12/2015 12:32 PM
61	There needs to be a junior/senior high school in the city of Lonsdale	12/12/2015 12:15 PM
62	lack of simple businesses. no coffee shop,	12/12/2015 10:29 AM
63	Downtown needs to be focused on before anything!!!!!!	12/12/2015 9:49 AM
64	People want to see the kind of change/ammenities that population won't allow for	12/12/2015 9:49 AM
65	Revamping the downtown area	12/12/2015 9:48 AM
66	main street	12/12/2015 9:29 AM

## Lonsdale Comprehensive Plan

67	Too big of a gap between high income and low income families. Lack of good paying jobs in the area.	12/12/2015 9:15 AM
68	Variety of dining venues	12/12/2015 9:04 AM
69	Business/buildings along Main Street	12/12/2015 8:30 AM
70	Jobs	12/12/2015 5:47 AM
71	Nothing to do here.....	12/11/2015 9:57 PM
72	Balancing peace and quiet with adding business to offset tax increases	12/11/2015 9:34 PM
73	Business growth	12/11/2015 8:52 PM
74	Attracting businesses that will be supported by the citizens.	12/11/2015 8:39 PM
75	Not enough stores and food chains	12/11/2015 8:22 PM
76	Schools - the split district isn't ideal.	12/11/2015 7:51 PM
77	Lack of job for teens, young a adults.	12/11/2015 7:35 PM
78	Having enough businesses	12/11/2015 6:43 PM
79	Keep taxes low, promote keeping businesses here.	12/11/2015 5:09 PM
80	Participation	12/11/2015 3:48 PM
81	Breaking out of the sleep in community status. Bring in businesses.	12/11/2015 2:00 PM
82	Planning growth in a controlled manner that will not degrade the the small town life style loved by those residing in the city. Also finding a way to fill in old developments housing and commercial that have been grown stagnant in the wake of new developments and expansions.	12/11/2015 12:12 PM
83	Big Box stores on 4 Lane Highways	12/11/2015 7:10 AM
84	Keeping it small	12/11/2015 5:12 AM
85	Creating a revitalized area for the downtown.	12/10/2015 11:52 PM
86	getting people to move to an area with no businesses	12/10/2015 9:17 PM
87	Keeping stores in town.	12/10/2015 8:43 PM
88	Lonsdale does not appear to have the desire to update/maintain main street and is only looking to branch out in the business park. If Lonsdale wants to keep its small town charm, a full renovation of the main street buildings should be a top priority.	12/10/2015 8:38 PM
89	As we keep growing, keeping the small town feel. Trying to bring in new business.	12/10/2015 7:57 PM
90	Employment opportunities so the town is not so much of a bedroom community.	12/10/2015 7:43 PM
91	keeping the crime down, keeping teenagers under control!	12/10/2015 7:00 PM
92	Infrastructure. Building a job base. Sustainable businesses.	12/10/2015 6:32 PM
93	city ordinances with vehicles on the property. harrasement from the police and neighbors better option on cable and internet prices	12/10/2015 4:32 PM
94	Better business	12/10/2015 4:13 PM
95	Keeping local businesses open (and filling empty businesses) due to the commuting factor of our bedroom community.	12/10/2015 3:06 PM
96	Getting more commercial/industries to locate their headquarters...providing more jobs--need for more housing--overall growth	12/10/2015 1:59 PM
97	Developing more of a sense of charm/character/community within the city. Without a high school to rally around or a flourishing downtown (like Northfield), there's not much to do in town (other than parks, bar/legion events, summer community baseball) and not a whole lot of reason to come to Lonsdale (unless there is an event). It will be a challenge for the City to create an identity for itself beyond that of a bedroom community.	12/10/2015 1:39 PM
98	Downtown area.	12/10/2015 1:05 PM
99	Sticking with the good old boy way of thinking	12/10/2015 12:52 PM
100	fixing roads & infrastructure WITHOUT assessments to property owners	12/10/2015 12:16 PM

101	keeping taxes low, maintaining the small town feel, upgrading infrastructure (streets, sewer, etc),	12/10/2015 11:24 AM
102	Keeping business in town and keeping taxes down.	12/9/2015 10:37 PM
103	revitalizing main street	12/9/2015 9:37 PM
104	Keeping the small town charm while adding more amenities & connecting a city that is spilt between TCU & New Prague	12/9/2015 1:25 PM
105	How to keep residents showing/dining locally	12/9/2015 12:24 PM
106	opposition of the locals	12/9/2015 12:43 AM
107	Teen entertainment	12/7/2015 9:55 PM
108	Attracting new businesses and residence to the area. Increasing the size of the schools to accommodate new people.	12/7/2015 7:12 PM
109	They have not done any up keep or maintenance on the streets such as seal coating. Instead they let them go down hill then assess the property owners for the so called infastruce.	12/7/2015 6:58 PM
110	an honest and transparent administration.	12/6/2015 10:39 PM
111	varied opinions on where growth should appear. Inflexible attitudes regarding separation of types of business ie: New business area, charming historic area, underused legion building(event center).an attempt to establish a new downtown	12/6/2015 4:08 PM
112	Not a lot of businesses that attract people to the area. Downtown is rundown	12/6/2015 7:48 AM
113	Keeping it a small town	12/6/2015 12:40 AM
114	balancing tax revenue sources (residential v. commercial). Would rather see the commercial aspect be higher and promote jobs and less tax on residential	12/5/2015 10:24 PM

116	Main Street	12/5/2015 4:33 PM

119	Such slow retail growth, lack of downtown character/identity	12/4/2015 9:04 PM
120	Keeping businesses in town	12/4/2015 9:03 PM
121	Not enough food or dinning options	12/4/2015 8:35 PM
122	Keeping the small town feel	12/4/2015 7:32 PM
123	the downtown area, empty buildings are not welcoming.	12/4/2015 7:03 PM
124	Incorporating new eateries like one fast food chain and a few cafes but keeping the town small	12/4/2015 5:28 PM
125	Funding	12/4/2015 5:20 PM
126	There all dumb asses	12/4/2015 5:15 PM
127	The telephone company needs improvement. Faster internet	12/4/2015 5:12 PM
128	keeping property tax low	12/4/2015 4:40 PM
129	Developing the downtown area to attract people from out of town. See the downtown of Northfield.	12/4/2015 4:11 PM
130	Lack of industry preventing a decent tax base resulting in that responsibility landing on the residents. It also prevents expansion of of projects to that would better the city which prevent growth. Also, the splitting of the city between two school districts is killing this town. It's time to decide on one or the other.	12/4/2015 12:13 PM
131	Adding conveniences without losing its small town/rural aspects.	12/4/2015 11:41 AM
132	Not taxing the citizens to death	12/4/2015 8:37 AM
133	Providing more than 1 or two provider options for various services - cable, phone, internet...etc.	12/3/2015 10:23 PM
134	growth of the cities around lonsdale	12/3/2015 8:52 PM
135	Too far from Twin Cities	12/3/2015 8:09 PM
136	distance to jobs for people that work in city (Minneapolis & St. Paul)	12/3/2015 7:41 PM

## Lonsdale Comprehensive Plan

137	Developing a good commerce base	12/3/2015 3:04 PM
138	keeping small town atmosphere while growing modestly with emphasis on commercial development for jobs,taxes and offerings to keep more business here.	12/3/2015 3:01 PM
139	it lacks a economic developer manager, need to get rid of the committee and hire someone that actually has a background in this to work full time.	12/3/2015 12:07 PM
140	having a school. Open enrollment is sending both parents and children out of town.	12/3/2015 11:03 AM

144	No retail stores or restaurants	12/2/2015 8:17 PM
145	Crime.	12/2/2015 6:25 PM
146	Get taxes lower. We don't need to have everything. Many people think we need whatever Lakeville or (insert city name) has. Who will pay for all this?	12/2/2015 4:35 PM
147	Not allowing McDonalds or a Walmart to come into our small town atmosphere	12/2/2015 4:14 PM
148	The construction of apartments complexes. Not to allow the construction of any trailer parks. The construction of apartment complexes and trailer parks will add additional population and congestion to Lonsdale taking away the reason so many of us moved here to live.	12/2/2015 3:37 PM
149	there is no middle school or high school. Families go to New Prague or Montgomery for school events and as a major center of family life/activity. This draws people away from town and takes their money with them. Being a bedroom community also is a challenge. I prefer to do my shopping in Northfield or Lakeville. Business, its hard for local small business to compete. We do major shopping in one big trip where things are typically cheaper and have a larger selection often to Target and Mendards/Home-depot, Burnsville Mall.	12/2/2015 12:15 PM

152	Have the overall good of the city (controlled growth; well-planned infrastructure; city officials with strong growth in their plans) in their plans	12/2/2015 4:56 AM

156	not growing too fast	12/1/2015 6:43 PM
157	Need more small business opportunities to support keeping money in town.	12/1/2015 4:16 PM
158	Having the community sustain more stores. I believe it needs some more (i.e. coffee shop, boutique, etc...) but I don't know if the people in town are willing to put their money into it.	12/1/2015 3:16 PM
159	Lack of business	12/1/2015 1:32 PM
160	BRINGING IN MORE SUCCESSFUL SMALL BUSINESS, ATTRACTING YOUNGER FAMILIES WITH QUALITY SINGLE FAMILY HOUSING; WHILE KEEPING TAXES REASONABLE.	12/1/2015 11:12 AM
161	Keeping businesses open on Main Street and still keeping that small town feeling as the numbers get bigger.	12/1/2015 10:46 AM
162	I would say, don;t worry to much on growth. Most of the people(including me) who have been here the longest don't want a big town. I've only been here 5 years and I don't want to see a town larger than 5k people personally. And from the talks I have had, neither do most of the long time residents Lonsdale either. We like it this way. That's why we live here.	12/1/2015 10:16 AM
163	Lack of commercial growth, especially the undeveloped lots next to Fred's IGA.	11/30/2015 9:58 PM

165	Losing the small town feel, we moved here to get away from fast food, Targets, and Wal Martz if those came to town, we would look at selling.	11/30/2015 6:55 PM

## Lonsdale Comprehensive Plan

166	Taxes too high for the returned services. Too much emphasis on the downtown businesses, not enough emphasis on doing more for the residents.	11/30/2015 5:55 PM
167	Lower property taxes. Our property taxes are extremely high.	11/30/2015 4:58 PM
168	If would be helpful to be able to sweep leaves into the street for city pickup or have a lawn care pickup service.	11/30/2015 3:49 PM
169	Keeping the small town feel.	11/30/2015 3:03 PM
170	No more small town feel	11/30/2015 2:14 PM
171	Distance to the cities, it can be a long commute for working. Would be awesome to have more jobs, but with my field its not going to happen unless I can work from home to make up my income.	11/30/2015 1:40 PM
172	Having a large enough grocery store with more competitive pricing.	11/30/2015 12:07 PM
173	Trying to grow too fast, we stay here for the small town feel. More places to go for dinner would be nice, but attracting big businesses may not be what the town needs.	11/30/2015 12:06 PM
174	Getting more business to commit doing business here. Would like to see a great family restaurant.	11/30/2015 11:49 AM

180	There are some people in Lonsdale like myself that would love to watch the town grow and be able to bring in something other then just the local business we have here. Then there is another chunk of Lonsdale that is so stuck in this old fashioned viewpoint that they dont want lonsdale to grow. That it is hurting the growth of Lonsdale because they refuse to let it grow and develop.	11/29/2015 10:16 PM

186	taxes	11/29/2015 3:41 PM
187	Sustaining the current city infrastructure while trying attract new businesses to Lonsdale. The city leaders have a responsibility to continue looking for opportunities to cut/streamline costs while resisting the temptation to raise property or city taxes.	11/29/2015 2:16 PM

194	As I've lived in town, I've began seeing prices go up, from property values to taxes. The primary reason we moved here is the lower cost of living, but this is not as much the case as it was a few years ago. A big step the city should take would be to promote itself to bring more businesses in, as other small towns around us have done. Having more closer to town would help justify the cost of living.	11/28/2015 4:16 PM
195	More Businesses	11/28/2015 4:06 PM

210	having a downtown area - keeping the small town feel with raising populations.	11/27/2015 6:42 PM
211	Maintaining the all-American country small town feel I think might be the greatest challenge, one of Lonsdale's greatest assets. I feel like the size now is nearly perfect, with little need to increase. For example, I grew up in a small town (Farmington, MN) that was a bit bigger in the early 90's than Lonsdale is now. Traffic wasn't bad (few stop signs/stop lights, just an easy country cruise), crime was low, community gatherings were well established and highly attended, and one could get a way with things you couldn't in the bigger cities, ie. shooting off fireworks on the 4th, doing burnouts in your sports cars during the cruises (all within reason, of course). While my parents have maintained the same residence there, now for 27 years, the town no longer has that appeal. With 21,000+ residents, it just feels like another Twin Cities suburb; nothing special. We have moved many of our family's traditions from there to here (namely the 3rd/4th of July, Lonsdale Community Days cruise) because of the stricter policing, uptight complaining neighbors, and because town gatherings there no longer have the appeal or the effort to organize as they do around here. There is also a sense that with an increased population, comes an increased population that is less than desirable: criminals or, for lack of a better term, keeping the riff-raff away (without any racial overtones that this term may be associated with). I understand that with Lonsdale being much farther from the closest suburbs, it may not grow as fast from 5,000 residents as Farmington did. I do think it's still an issue to not overlook. as I think Faribault may also be a good example of what I'm referring to with it's growth in last decade or so.	11/27/2015 4:51 PM
212	Taxing and raising the water and sewer bill for residents. People will leave.	11/27/2015 3:25 PM

249	Retaining the small town "feel," which in part means getting people from new developments involved in all aspects of the town - government, social, shopping, and a share of them employed here.	11/24/2015 10:59 PM

288	Pretty long commute to the cities	11/24/2015 7:04 PM

301	Safety - keeping a low crime rate	11/24/2015 6:22 PM
302	Growing new business that can hold the small town flux. More parks up by the NE side of town.	11/24/2015 6:19 PM

## Lonsdale Comprehensive Plan

303	establish businesses, balanced tax base	11/24/2015 6:17 PM
304	Not enough involvement. Watching some of the complaints by residents on social media, people want their voice heard and yes they need to bring it to city council but when they do most of the time it's like no one wants to listen to them. I think if there was more support for city hall and the council without all the negativity there would be more willingness to voice their concerns	11/24/2015 6:12 PM

313	Not enough small business growth	11/24/2015 5:30 PM
314	We have no sense of identity because of our town choosing to go to different schools. It completely divides our community and therefore makes it hard for people to do things in town. They are already driving to other communities for their kids activities, so they run errands there instead.	11/24/2015 5:27 PM

## Lonsdale Comprehensive Plan

15	mixed use with single family and townhomes, also senior housing interspersed so that children and elderly have opportunity to interact.	12/6/2015 4:08 PM
16	I don't want it developed.	12/6/2015 12:40 AM
17	keep a good balance with commercial growth	12/5/2015 10:24 PM
18	I think there needs to be a combination of all of the above. This city truly lack high density housing that is not income based which pushes could be residents to other cities. It would also be nice to have affordable townhomes on nice lots for various age groups. Building new homes is great but not everyone wants a "house." Some people are looking for smaller options as they have moved beyond that point in their lives.	12/4/2015 12:13 PM
19	mix of low density with some higher dinsity for seniours	12/3/2015 3:01 PM

21	I think a combo of apartments and medium density	12/2/2015 12:15 PM

Yes, without any regulations	15.92% 60
Yes, but only with specific regulations (no roosters, limited number of chickens, larger lot sizes, screening, permit, inspection, permission from neighbors, etc.)	39.79% 150

1	With only 1% of the population involved in ag I think its a good ideas for families with children to raise a couple of chickens. The manure is useful fertilizer. Chickens are quieter than barking dogs or traffic and the eggs are good for you. Let it be a rural community.	12/17/2015 10:34 AM
2	Yes but no roosters. Do not restrict the size of lot, screening, permit, inspection or require permission form	12/17/2015 10:19 AM
3	I feel very strongly that farm animals should NOT be allowed	12/17/2015 9:30 AM
4	you have to regulate or some will not managewell the manure, or the size of their flock, but I am for small flocks for eggs and meat.	12/15/2015 8:47 AM
5	Easy : 2-3 chicken maximum. no roosters. City allowed to deny any ONE for unresponsible people	12/14/2015 9:09 PM
6	they attract mice and rats, and coons raise hell with them too	12/14/2015 12:54 PM
7	We're grown ups- if someone is willing or wanting to have chickens they will up keep it, that is the whole point of backyard/free ranging or caged chickens. No body wants to feed their family unhealthy eggs.	12/14/2015 9:14 AM
8	Keep chickens/farm animals out of town!	12/13/2015 1:22 PM

## Lonsdale Comprehensive Plan

9	Yes, without lot size restrictions and no permission from neighbors. Otherwise I want my neighbors to ask me for permission to have dogs in their yards since i am allergic to dogs. No screening, what is the purpose of that? Seriously, quit micro managing everything! Anyone that selects "No Opinon" should be counted as a yes.	12/12/2015 4:06 PM
10	The limitations shouldn't be obtainable though. Not everyone has a large lot. I think the city has handled this issue poorly.	12/12/2015 2:04 PM
11	Some residents can't and don't care for their dogs and cats properly in the city currently adding chickens will just cause more of a mess	12/11/2015 3:58 PM
12	In order to produce enough eggs (10+ chickens) to offset the actual grocery cost of eggs, it would cost the owner much more just to have. They will quickly turn into pets instead of a resource.	12/11/2015 2:00 PM
13	Keep some country in town!	12/11/2015 7:10 AM
14	Move to the country if you want barn animals city slickers. Support your local farmers n keep them out of the city.. People can't keep their dogs leashed so how can chicken be taken care of properly	12/7/2015 9:55 PM
15	Minimal sanitary regulations. Limit # of chickens based on lot size.	12/5/2015 10:24 PM
16	Yes, I agree with no roosters and limited number per person in household, but I don't think we should have to get neighbor's permission. Chickens have been kept in St. Paul in small lots without neighbor's even knowing.	12/4/2015 11:22 PM
17	No, because when people are given an inch they take a mile. My neighbor was allowed chickens and was not allowed roosters. She has had roosters and has also had ducks.	12/4/2015 12:13 PM
18	With a few regulations	12/3/2015 3:04 PM
19	People can not control the pets they have much less free roaming chickens. also noise and smell issues.	12/3/2015 3:01 PM
20	This should apply to all animals. Domestic included	12/3/2015 11:03 AM
21	small town should be allowed pet pigs and chickens!! the big cities even allow it!!	12/2/2015 6:03 AM
22	I think chickens for none commercial use within the city should be limited [roosters are fine] but permitted as above	12/2/2015 4:56 AM
23	We have a 1.33 acre lot as you're heading out of town and really want chickens. They would not bother anyone.	11/30/2015 4:58 PM
24	If I wanted chickens or dogs, I would live out in the country	11/30/2015 10:25 AM
25	Reguate please!!!	11/30/2015 6:49 AM
26	No, the lots are not large enough to appropriately accommodate chickens.	11/28/2015 9:46 AM
27	this isn't the great depression	11/27/2015 11:40 PM
28	Thanks for asking. If allowed, additional regulation costs exceed the benefit to the few and reduces the enjoyment and property values of the neighboring properties.	11/27/2015 8:56 PM
29	yes, no roosters, no permit, no inspection, no permission from neighbors.	11/27/2015 3:25 PM
30	Keeping a couple of chickens is no different than any other pet (dog,cat etc.) . The plus side of a chicken is thier omnivoris diet. Table scraps can be feed to them instead filling our land fills or going into the sewer system. The plus of owning a chicken is the eggs they produce.	11/26/2015 7:51 AM
31	We need to have chickens in city limits with regulations this us a small town country.town!!!!	11/25/2015 6:18 PM
32	I don't live in city limits and I have chickens. I wanted chickens, and space, so I moved out of town. I realize that it's cost prohibitive for many people, but honestly, so is having chickens. You think you're saving money? You're not. I don't think they should be allowed in town, but not living in town myself I don't know that my vote should count. You want fresh eggs there are plenty of folks like me who have too many and will sell them to you at a loss considering expenses.	11/25/2015 1:15 PM
33	Regulations and permission from neighbors are a MUST!!	11/25/2015 11:53 AM
34	Yes but not permission from neighbors, that's ridiculous.	11/24/2015 8:25 PM
35	Worried about dog encountering loose chickens	11/24/2015 7:12 PM
36	No!!!!!!	11/24/2015 6:48 PM

## Lonsdale Comprehensive Plan

#	Please describe other:	Date
1	"Lonsdale Happenings"	12/17/2015 11:24 AM
2	Have copies of minutes available at city hall. Not all people have internet.	12/17/2015 10:19 AM
3	Community bulletin boards in library, liquor store, Fred's etc.	12/17/2015 10:06 AM
4	I feel that Lonsdale Happenings on Facebook is too negative. Too many rules and too many admins.	12/14/2015 9:14 AM
5	Police reports need to be more detailed and transparent	12/13/2015 11:51 PM
6	This is an area that needs major improving. You can't forget about the other folks in town that aren't on the internet. I'd offer a mailing option. A quarterly newsletter doesn't help with time sensitive matters or new silly laws that are going to go into effect.	12/12/2015 4:06 PM
7	It's the 20th century people, I hear about almost nothing as I have no time/interest in reading a newspaper in paper form. Not to mention it's cheaper to email than publish and deliver. That should be a no-brainer. Possibly a sign up for older folks to still receive publication.	12/11/2015 2:00 PM
8	I've gotten the best information on the Lonsdale Happenings Facebook page!	12/2/2015 7:56 AM

12	Mial. flyers etc...	11/25/2015 12:37 PM
13	Quarterly town-halls. could rotate between American Legion with non-required banquet provided by Auxilliary, Churches, Other event centers, (all with similar meal availability) and Parks catered by Quality Meats in combo with picnic or maybe even pot-luck.	11/24/2015 10:59 PM
14	Free mailing!	11/24/2015 10:16 PM
15	Would have checked the Local Access Channel, but that is very rarely current.	11/24/2015 7:55 AM

17	longer Saturday hours	12/10/2015 6:32 PM
18	The hours aren't great for families that work	12/10/2015 4:13 PM
19	While it's nice that the library stays open until 6 (meaning I have at least a chance I can make it there before it closes), often by the time I get home from work and get settled in/dinner started/etc., there is little time to go to the library before it closes. It would be nice to see it open later more than once/week.	12/10/2015 1:39 PM
20	Consistency would be best	12/9/2015 1:25 PM
21	I wish it were open at least an hour later during week days, or at least have a second day it is open late.	12/7/2015 7:12 PM

24	The hours changed and I never know when it's open	12/4/2015 4:48 PM
25	Not open every day of the week or late enough in the evening. Makes it hard to get to if you work a standard 9-5 job in the twin cities metro.	12/3/2015 10:23 PM
26	The hours are all over the place during the week	12/3/2015 8:52 PM
27	not open on mondays	12/2/2015 10:09 PM
28	It's small.	12/2/2015 4:14 PM
29	very strange and inconvenient hours	12/2/2015 12:15 PM
30	I have not used the library to any extent; I did attempt to avail the library of many older and recent issues of National Geographic, but they said they 'didn't have room.'	12/2/2015 4:56 AM
31	Open longer	12/1/2015 1:32 PM
32	I DON'T USE THE LIBRARY	12/1/2015 11:12 AM
33	We really miss the friendliness of the old Librarian	12/1/2015 10:16 AM

35	Could be open more hours possibly	11/30/2015 12:06 PM
36	Would like if open Mon-Fri and a few hrs on Saturday. 40hrs	11/30/2015 11:49 AM

5	could be more competitive with other stores, some popular items are higher \$	12/14/2015 11:50 AM

8	Prices are higher than othe liquor store, will drive customers outside of city	12/14/2015 12:04 PM

## Lonsdale Comprehensive Plan

17	once again completely focused on the wrong issues	12/3/2015 12:07 PM
18	A new manager is needed	12/3/2015 11:03 AM
19	Prices are higher than surrounding stores. City should sell it, better off with the tax revenue.	12/2/2015 4:35 PM

26	Slightly higher prices than competitors in the area.	11/29/2015 5:40 PM
27	Compared to the larger liquor stores in the cities, the prices here are just not competitive	11/28/2015 4:16 PM
28	I do not understand why the city is concerned with the liquor store's operation, I was not aware that the city owns the liquor store. I feel there is a drinking problem in lonsdale.	11/28/2015 9:46 AM
29	non competitive prices compared to other liquor stores	11/28/2015 12:18 AM
30	expensive	11/27/2015 3:25 PM
31	More expensive than any other store	11/25/2015 7:03 PM
32	Most expensive beer around	11/25/2015 5:09 PM
33	I'm not entirely crazy about the City of Lonsdale's ownership of the liquor store. At least it's run at a profit since it's move several years ago, still I would rather support a business not owned by the city.	11/25/2015 1:15 PM
34	Great people and services but very overpriced	11/25/2015 11:22 AM
35	I understand it is part convenience, but some of their prices encourage me to buy elsewhere when shopping out of town.	11/25/2015 7:53 AM
36	Prices are higher than other places.	11/25/2015 6:21 AM
37	If they would come down in price we would buy more and they would make more! We would LOVE to but in town, but they are ridiculous in price...Compete with Coborns!	11/24/2015 10:16 PM
38	some prices can be high	11/24/2015 8:01 PM
39	Too expensive.	11/24/2015 7:08 PM
40	About 5bucks more on a case of lpc cans...rather stockup in the cities which is too bad. \$2/3 bucks wouldn't be a big deal but 5/6 bucks a case adds up	11/24/2015 7:04 PM
41	Not a fan of community owned liquor stores, prices are too high, and I don't see the payback.	11/24/2015 7:00 PM
42	Too high compared to other close stores	11/24/2015 6:08 PM
43	I only go there if I have to. I usually go to Coborn's or Sam's Club.	11/24/2015 5:56 PM

16	If the town keeps growing, with more homes being built, we will plan to move.	12/12/2015 5:21 PM
17	The City Government's lack of professionalism when it comes to working with it's residents, their waste of legal fees, always giving into pressure from life long residents even if it is the wrong thing to do, micro managing ever single thing, if you continue to build and invest millions of dollars that are not substantiated with direct future income.	12/12/2015 4:06 PM

1	Takes too long to fix bad roads/some say they are "good enough"	12/17/2015 11:31 AM
2	Not maintained - potholes, deteriorating asphalt	12/17/2015 11:24 AM
3	Some roads are cracked	12/17/2015 10:39 AM
4	Potholes & crumbling surfacing. When work is done the finished product is crap. Do you not inspect the finish product before paying the bill?	12/17/2015 10:01 AM
5	Road from Lonsdale to big steer is hard to see lines. Talked to many people of this concern.	12/17/2015 9:51 AM
6	Need better maintenance over the winter like more/better laying down of salt and sand, and faster or more often plowing, ect.	12/15/2015 11:17 PM
7	except the one remaining gravel road in town. why isn.t it paved?	12/14/2015 12:54 PM
8	A lot of work was done to fix the roads on Arizona and 4th Drive SE. There is still a major water leak which freezes and is difficult to drive on.	12/14/2015 11:37 AM
9	Some of the side roads have a lot of potholes. Filling in potholes with large gravel just makes it worse!!	12/14/2015 8:48 AM

## Lonsdale Comprehensive Plan

10	gravel road off of south main should be tar	12/11/2015 5:09 PM
11	The Older streets are bad	12/11/2015 12:35 PM
12	My street is OK, but further down Birch St NE by the DRS field the road is just falling apart, horrible.	12/10/2015 7:00 PM
13	The new project that was recently done is poor workmanship. There are many streets with cracked asphalt and potholes.	12/10/2015 6:32 PM
14	No	12/10/2015 4:13 PM
15	Older parts of town need to have roads upgraded	12/10/2015 11:24 AM
16	The snow plowing is poor at best. Like said above the way the streets are maintained is just as bad.	12/7/2015 6:58 PM
17	I think they are good, however seems like there is some work on the curbs/drives into businesses, even the new ones. Huge dips.	12/4/2015 11:22 PM
18	The roads could definitely use some repairs. Some of the roads are good but others are in fair/poor shape and have been for a long time. I do not complain because I understand that money is always an issue. An example is the Alabama St SW between 3rd and 4th Ave. That area needed repair for years as it had a trench line in it and was left with a pretty good bump when going through the intersection/down the street. Older sections of town need to be looked at more closely.	12/4/2015 12:13 PM
19	There are areas that need repair, its an ongoing issue.	12/2/2015 4:35 PM
20	there are some terrible roads especially the road between 19/4 by Tim's Small Engine as well as concerned about the feed mill traffic and the amount of stress its puts on the residential streets especially 2nd ave by the legion.	12/2/2015 12:15 PM
21	Very, very disappointed in how the roads turned out near Casey's. Did anyone from the city sign off on that paving work? I can't believe we paid money for that! I hope that the company that was hired to do the work is never hired again. The city will be hearing from me if our road ends up looking that poorly once it is redone.	12/2/2015 7:56 AM
22	The material used to reseal the roads is a mess	12/1/2015 1:04 PM
23	rough and not level for draining	11/30/2015 5:55 PM
24	I think the paving of the roads in the summer re-construction project was done poorly.	11/29/2015 2:16 PM
25	New road constructed on SE Arizona Street did not turn out well at all. For the money spent to redo the road it is very disappointing!!	11/29/2015 9:57 AM
26	Need for resurfacing	11/28/2015 11:07 AM

1	I leave at 5:15 am. for work	12/17/2015 11:31 AM
2	Not the best - have areas where intersections are blocked	12/17/2015 11:24 AM
3	Timing of plowing and follow-up cleaning is poor	12/17/2015 11:14 AM
4	Sometimes the plowing is done poorly and they like to plow too much on people's driveway.	12/17/2015 10:50 AM
5	Not a fan of the middle of the road piles	12/17/2015 10:01 AM
6	Too much snow put in driveway and mailboxes. When the road is triple wide!	12/17/2015 9:51 AM
7	Need better maintenance over the winter like more/better laying down of salt and sand, and faster or more often plowing, ect.	12/15/2015 11:17 PM
8	Stop sign intersections in housing area are not sanded properly, drivers do not drive safely - going far too fast on residential streets, blades are not actually getting the snow - have watched drivers multiple times not have the blade down and we were told it was being plowed	12/15/2015 1:58 PM
9	Inconsistent in the timeliness of when they are plowed and sand/salt disbursement.	12/14/2015 11:37 AM

## Lonsdale Comprehensive Plan

10	This will be our first winter in Lonsdale	12/14/2015 9:17 AM
11	Snow plows need to get out earlier, especially when it is sleeting get ice down so the roads aren't a sheet of ice all winter. People need to get to work and can't do that if the roads aren't plowed before they leave for work.	12/14/2015 8:48 AM
12	LOWER THE BLADE! Lonsdale is by far the worst when it comes to snow plowing. There is always a layer of ice on the roads because they were not properly cleaned of snow. I fell 3 times last winter due to ice caused by poor plowing. I often find myself swerving to avoid large chunks of snow that are in the middle of the road. Plows often take out grass and mail boxes. I think the plow drivers need to be sent to some sort of training courses	12/13/2015 11:51 PM
13	Fair - not always timely, has taken chunks of sod out of our yard (had to put up reflectors for several years to identify where our yard starts), frequently leaves huge piles of snow at the end of our driveway - the snowplowing has improved over the years, but still needs some work	12/13/2015 8:17 PM
14	Culdesac snow should be hauled away asap, more care taken at sanding intersections, plow main thoroughfares first	12/13/2015 1:22 PM
15	I frequently get my car stuck in the snow if it is snowing in the evenings or weekends, as the plowing doesn't seem to get done as promptly at these times. We live on a hill and if the road is not plowed right away, I have trouble getting up to our driveway to get in. Also, I thought that there was supposed to be an emergency parking lot for those who can't get into their driveways at the ball field, and last winter during the last big storm, that was not plowed either leaving me no place to put my car.	12/13/2015 11:21 AM
16	I would like to see more chemical used at intersections.	12/12/2015 9:33 PM
17	every year my grass gets torn up and have had to replace mail box	12/12/2015 12:32 PM
18	HWY 19 is always dangerous in the winter. The use of sand is not an acceptable road treatment plan	12/12/2015 12:15 PM
19	Very good, but please plow to the end of Fig St NE, instead of to the last intersection before the dirt road. We only have one SUV :).	12/11/2015 2:00 PM
20	They go along our road 3 or 4 times when it isn't needed. They don't get close enough to the curb, then there is a big pile in front of our mailbox and the mail men complain. There are either too much with little snow or not enough with a lot of snow.	12/11/2015 12:35 PM
21	Streets are clean but all the snow is pushed on our lots after we get our own clean! Costly!	12/11/2015 7:10 AM
22	Still very icy through town.	12/11/2015 5:12 AM
23	The streets are not plowed curb to curb. They stay away from the the curbs by about 2 to 3 feet. They also need to start using salt instead of sand. They need to go and watch how streets are plowed in other cities.	12/7/2015 6:58 PM
24	Post office says where our boxes go, but the snow always knocks it down & because it wasn't directly hit by plow we have to fix it	12/7/2015 1:09 PM
25	I would like to them them get plowed curb to curb rather than 3 feet from the curb.	12/6/2015 12:40 AM
26	We're at the end of a street, and we're often not plowed until last minute and on a few occasions have been missed completely	12/4/2015 9:04 PM
27	Choosing my yard to dump city snow into.	12/4/2015 8:37 AM
28	Some of the roads need to fixed, some even need to be redone that were worked on this past fall.	12/3/2015 8:52 PM
29	Snow removal people knowing where the center of the road is. Tend to put a lot more snow on one side of street.	12/3/2015 3:01 PM
30	Although I realize that some of the streets are considered county roads it is very difficult to travel on some of the roads during the winter like county road 4 by the park.	12/2/2015 11:54 PM
31	Living in a cul-de-sac, snow is pushed into my lard and not removed like it would be on a normal street.	12/1/2015 1:32 PM
32	When winging snow plows dumb into the streets or driveways.	11/30/2015 5:39 PM
33	roads get packed down with snow before they can get it cleared, then causing an ice/snow build up	11/30/2015 12:07 PM
34	Slow to get done, not done curb to curb, extremely icy and rough	11/30/2015 6:49 AM
35	they plow according to where the mayor lives not giving a crap about the citizens	11/29/2015 8:40 PM
36	Excellent-- only could mention earlier cleanings would be handy if that were possible.	11/29/2015 5:40 PM
37	do better plowing curb to curb sand and salt out from interections farther	11/29/2015 11:45 AM
38	the main roads are good but the road I live on is not so good with plowing	11/28/2015 6:13 PM
39	No consideration for residents and business	11/28/2015 4:26 PM

## Lonsdale Comprehensive Plan

40	Main Street is plowed to the middle and snow is removed... until my block(500) on South Main. The snow from this wide street is piled 8 feet high in our yards	11/28/2015 2:08 PM
41	Roads don't get plowed in a timely manner and when they get plowed the snow is to compacted. Also need to salt and sand better some intersection get very little sand or none at all.	11/28/2015 1:40 PM
42	Except for when they took out my mailbox a few years ago	11/28/2015 10:24 AM
43	winter sucks they don't get to the curb, they leave a huge pile by the mail box thats to hard to clean up and mail won't drop off.	11/27/2015 11:40 PM
44	The plows don't ever seem to get out when they are needed. Oftentimes we've already plowed our driveway and the snowplow comes by hours later, making it difficult to get in or out.	11/27/2015 2:37 PM
45	I live on a corner and they never plow it correctly. Instead of going straight they turn a wide corner which then leaves way too much snow far from the curb. In the spring this causes the water to back up as the ice and snow are blocking the drainage path.	11/26/2015 12:02 AM
46	They plow way too much. If under 3 inches why waste the money	11/25/2015 5:09 PM
47	Not close to curbs and not frequent enough	11/25/2015 11:12 AM
48	many times, the plow isn't even by my street until later in the afternoon (and I live in town!) and that's hard for those of us who have to commute to work	11/25/2015 10:25 AM
49	but seem to come by more than once,. sometimes good somtimes bad if i've already shoveled. : )	11/25/2015 8:36 AM
50	They don't come often enough	11/24/2015 9:59 PM
51	I marked excellent, but I think the streets are over plowed! Are we burning money?	11/24/2015 9:52 PM
52	There are days, when I have to leave for work and plow hasn't come down street yet.	11/24/2015 9:06 PM
53	Intersections are not very good in the winter. Very icy.	11/24/2015 8:43 PM
54	We live in a half cul de sac and my spouse plows us out as the plow does not come into the cul de sac. It's very frustrating	11/24/2015 8:23 PM
55	It takes forever for the side/residential roads to be plowed, very hard to get out of driveway after snowfall	11/24/2015 8:23 PM
56	Need to be proactive instead of reactive	11/24/2015 8:20 PM
57	Only issue is the hills could use more sand/salt, sometimes hard to make it up them	11/24/2015 7:32 PM
58	They never Clean within 2 feet of the curb	11/24/2015 7:15 PM
59	Plow late and not as often as should	11/24/2015 7:12 PM
60	I've had my mailbox knocked over a couple times. Other then that its good.	11/24/2015 7:08 PM
61	plowing in town been an issue for ever. cul de sacs not plowed properly. timing of plowing poor. worst city service hands down.	11/24/2015 7:08 PM
62	Snow/ice is left on them all winter long making it slick especially for children walking to the school bus	11/24/2015 6:22 PM
63	They don't get out soon enough. It's packed on the road before they plow.	11/24/2015 6:19 PM
64	always icy. hardly any salt or sand used near driveways	11/24/2015 6:18 PM
65	I am up super early for work so its hard to get from point a to point b when some of the roads are unplowed.	11/24/2015 6:12 PM
66	Not done frequently or in a timely manor	11/24/2015 6:07 PM
67	At times plows go way too fast down residential streets.	11/24/2015 6:04 PM
68	Can't go anywhere	11/24/2015 5:24 PM
69	curb to curb plowing, needs to be done	11/24/2015 5:23 PM
70	Never get the roads clean and always have a layer of ice	11/24/2015 5:20 PM

## Lonsdale Comprehensive Plan

23	There is a house on the 500 block of bluff heights drive southeast that is set back away from the road in the swampy area. This house has a driveway that crosses a walking trail. The homeowners have no regard for the safety of those walking on the trail. They cross the walking path at incredibly high rates of speed 30? 40? MPH. I have almost been hit on two occasions. I am concerned because there are a lot of children that use this path for play and riding their bikes. I would like to see the city place a stop sign of speed bumps on the public right of way near the path.	12/13/2015 11:51 PM

32	The trail system crossing at the corner of 8th Ave. NE and Hwy. 19. Who thought that would be a safe idea? We have kids using that path and its just an accident waiting to happen. 47	Painted lines on 19 need to be reflective. Hard to see in the rain at night.	12/10/2015 1:05 PM

71	crazy intersection by treats and 19	12/2/2015 10:09 PM
72	Neighborhoods with high levels of traffic should have speed bumps	12/2/2015 4:14 PM
73	the trail connection on 19 by Losndale Liquer and Generation	12/2/2015 12:15 PM
74	it would be nice if the sidewalks extened further up/down Main Street.	12/2/2015 7:56 AM

## Lonsdale Comprehensive Plan

94	I love the lights put up on co rd 2 and hwy 19: thanks for that! - a crosswalk of some sort needs to be put in place	11/29/2015 4:07 PM
95	Entrance to Willow Creek development. Cars move way too fast through that area on 15th Ave SE. Should consider a stop sign at the first interstecion so cars have to stop once before entering the development. Otherwise, they enter off of HWY 19 and frequently forget that they can't go 60mphs again.	11/29/2015 3:57 PM

104	walk way from fred's to the dollar store area	11/27/2015 11:40 PM
105	Most drivers, when turning onto southbound Main St. from west bound Hwy 19 (at the stop light), most drivers turn too sharp triggering the Main St sensor on the south part of Main St., causing an undue delay for those on Hwy 19 when the light turns red. This needs to be addressed with a cone or median of some kind.	11/27/2015 4:51 PM
106	walking path holes	11/27/2015 3:25 PM
107	The first curve on Willow Creek Drive (coming from Industrial) is dangerous, because there are no street lights.	11/27/2015 2:37 PM

126	Stop sign on Fig Ave at the intersection of 8th St. I've almost been hit and I've almost seen people hit. There is a crosswalk going across fig, but no stop sign, so cars do not slow down or stop for pedestrians.	11/24/2015 8:36 PM
127	Better marked crosswalk pedestrian flashers at 19 and 4	11/24/2015 8:23 PM
128	Large tree on the corner of 8th and Co Rd 4	11/24/2015 8:12 PM

24	Need Children at play signs	12/7/2015 1:09 PM

7	More lighting on trails needed - especially by school nature center	12/14/2015 8:33 PM
8	On the SE side the hole are horrible and they just fill them in with large gavel! With a stroller it makes it very bumpy, biking you are trying to avoid holes to not damage your bike, and you can't even roller blade because the rocks are so bad!	12/14/2015 8:48 AM

## Lonsdale Comprehensive Plan

9	We love the connecting trail near sticha park but the trail needs a safer or more identifiable crossing to the opposite side of 19 to the connecting path	12/14/2015 12:04 AM
10	Trails lead to nowhere	12/13/2015 2:07 PM
11	Trail holes are repaired with crushed rock, not repairing the hard surface.	12/13/2015 1:52 PM
12	The trails are full of potholes that are repaired with crushed rock, it is a safety hazard and an eye sore.	12/13/2015 1:24 PM
13	As soon as some trails were installed the city drove skid steers and trucks on the path to back fill the sides of the trail causing excessive wear on a new trail	12/13/2015 1:22 PM
14	The Side walks on Main Street are very bad, worry every day that someone will fall because of them	12/12/2015 9:08 PM
15	The trails in NE quadrant are difficult for rollerblading due to poor seal coating.	12/12/2015 4:06 PM
16	maintenance of willow creek trail and the board walk	12/12/2015 3:56 PM
17	Lots of bumps. They aren't smooth	12/12/2015 9:48 AM
18	Fair, who ever was hired to re-surface them 2 years ago to a horrible job, they almost made it worse in many areas. (FYI your survey is broken, I could not select "Fair" and write in this box.)	12/11/2015 12:12 PM
19	The trail by the generation building center board walk not well taken care of and the seal coating on trails not very good.	12/10/2015 8:43 PM

25	getting to them is a problem	12/4/2015 8:37 AM
26	A lot of the sidewalks on Main Street are all uneven	12/3/2015 8:52 PM

28	some areas need resurfacing and some do not connect	12/2/2015 10:09 PM
29	Trail behind Willow Creek DR SE needs to be replaced. Putting large rocks into the holes isn't a long term solution.	12/2/2015 8:17 PM
30	a lot of washout in areas and i've twisted my ankle many times when I hit a pothole while running. I shouldn't have to stare at the ground while I run that's poor form I should trust the trail.	12/2/2015 12:15 PM
31	trail system excellent. Sidewalks where they even exist are poor.	12/1/2015 9:33 PM
32	Would like if they connected at more places. The one crossing Hwy 19 is very dangerous	11/30/2015 11:49 AM

38	I would say the trails are overall in great condition. Near water, however (ie. by the water treatment plant) the trails don't last long with the water runoff	11/27/2015 4:51 PM
39	There are potholes everywhere filled in with gravel. This is dangerous for kids on their bikes and scooters. Also, whoever the city hired to repair some of the trails, their work is subpar. It's incredibly uneven and looks like a kid did it.	11/27/2015 2:37 PM
40	Some parts of trails are in desperate need of proper resurfacing	11/25/2015 2:03 PM
41	NOT ENOUGH OF THEM. YOU RUN OUT OF PLACES TO BIKE	11/25/2015 8:36 AM

50	Trails are great, but really need sidewalks	11/24/2015 5:22 PM
51	Needs to be better lighted. If using later in evening, especially in the winter, you are almost forced to walk on the streets because they are lighted better.	11/24/2015 7:55 AM

2	All adult activities are great, well planned, & drawing crowds. Our young people are left with nothing. Adults planning adult activities makes sense. Young adults planning young adult events makes sense too, but where are they represented?	12/15/2015 6:30 PM
3	The two school districts offer great programs - but majority of our residents have to travel AWAY from Lonsdale to participate in. The city should take ownership of the offerings that Tri-City United offers as they are the only district with a school within city limits and support those, help with communication on them - as they are community involved. The city appears indifferent to either district and instead should be proactive in partnering (in the public's eye) more and more	12/15/2015 1:58 PM
4	Have to leave town. Takes away from family time	12/14/2015 11:52 PM

## Lonsdale Comprehensive Plan

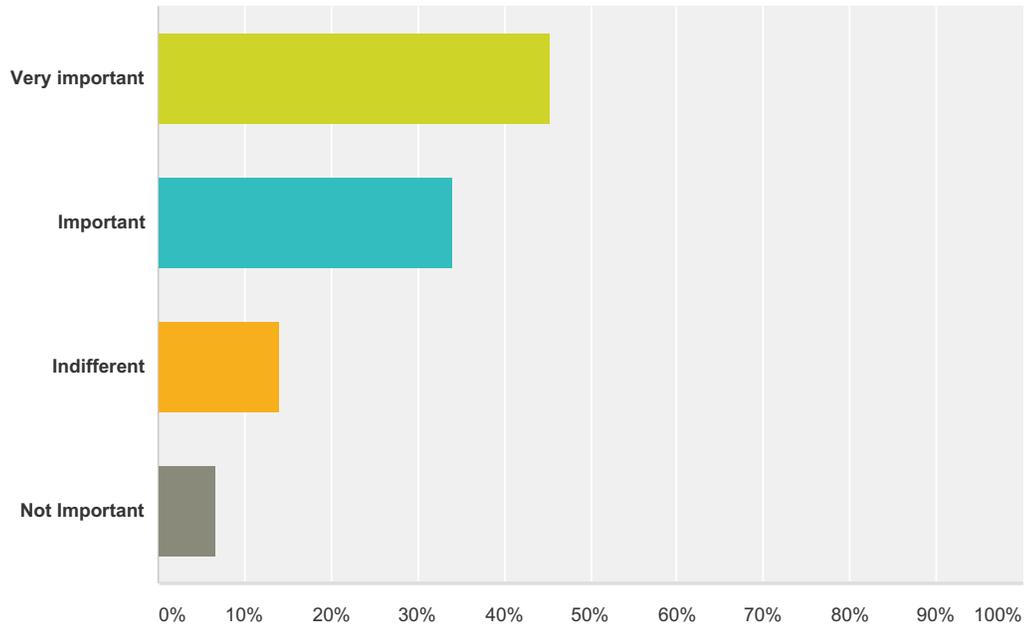

5	Lacking options for getting children of working parents to activities, and need to offer multiple sessions for summer swimming lessons to avoid scheduling conflicts	12/14/2015 8:33 PM
6	Most of the community education is done in New Prague or Montgomery not in Lonsdale	12/14/2015 8:48 AM
7	more activities in Lonsdale - frequently need to travel to neighboring towns. Would especially love to see a soccer program at the high school level and a pool or splash pad in town.	12/13/2015 8:17 PM
8	hardly any are offered in Lonsdale. If not for NP and Montgomery, we wouldn't have any options.	12/13/2015 4:02 PM
9	Lonsdale needs to develop a community Ed. Independent of TCU to focus on its own residents.	12/12/2015 9:33 PM
10	Is there any	12/12/2015 9:08 PM
11	Need more swimming lessons to be offered	12/12/2015 4:59 PM
12	There should be soccer programs, youth hockey, basketball for kids 4-8 in the city of Lonsdale	12/12/2015 12:15 PM
13	We need to go to various surrounding towns for programs, no place to even hold these things	12/12/2015 9:49 AM

15	I have not found local Community Ed events that interest me.	12/11/2015 8:39 PM
16	We need something in Lonsdale. We seem to have to drive to another city for services.	12/11/2015 8:22 PM
17	There are a lot to choose from but not many are based in Lonsdale -- especially for teens and adults.	12/11/2015 7:51 PM

19	Need to travel to another town for swim lessons.	12/10/2015 8:43 PM
20	Nothing is local. Parents who work can't get their kids to anything because everything is during the day	12/10/2015 4:13 PM
21	Fair (wouldn't let me select Fair and write in this box) - Between the Montgomery and New Prague Community Ed offerings, I think there is really good amount and variety of classes, but often they are not held in town making them difficult to access.	12/10/2015 1:39 PM
22	I would like to have more opportunities to do things locally and not go to Montgomery always	12/9/2015 12:24 PM
23	Need to support local sport or community education here in Lonsdale instead of the children/families and traveling to nearby cities	12/8/2015 8:54 PM
24	I don't like that a lot of the rec programs aren't local in Lonsdale	12/7/2015 1:09 PM

36	Have to travel out of town to use a facility that houses pool and a good multi sport facility	12/1/2015 1:32 PM
37	The swimming lesson program needs additional days/classes	12/1/2015 1:04 PM
38	not aware of any of these things	11/30/2015 5:55 PM
39	There is no community center	11/30/2015 2:14 PM
40	We need a community center for swimming lessons and for something for the teens to do in the summer - there is no hangout place.	11/30/2015 1:40 PM
41	We go to New Prague for everything as that is our district	11/30/2015 6:49 AM

## Lonsdale Comprehensive Plan

42	If there are options, we need to do a better job of getting those activities listed for people to find out about them.	11/29/2015 3:57 PM
43	Usually have to go to New Prague or Northfield for these activities.	11/29/2015 2:16 PM

54	Na	11/24/2015 7:50 PM
55	There isn't enough offerings & no traveling for younger kids. If there is it isn't advertised. It took us 2 years to learn about Lonsdale Softball through Aces.	11/24/2015 7:41 PM
56	I feel the city should be offering more for all ages.	11/24/2015 7:31 PM
57	Limited options, soccer is fall not spring sport conflicts with softball	11/24/2015 7:12 PM
58	There are no soccer fields	11/24/2015 7:08 PM

1	every small valued community should have a downtown preserved area. The city needs to step in, new ordinances if necessary, and get the building owners to upgrade their buildings	12/15/2015 1:58 PM
2	Looks fine the way it is	12/14/2015 9:09 PM
3	Would like to see updates and have more eateries in town, but do not want to see a tax increase to have this work done by the community	12/13/2015 8:17 PM
4	A strong Main Street/ Downtown will help to unite the community	12/13/2015 1:22 PM
5	I look at main street in Montgomery (a smaller town than lonsdale) and see it in much better shape than ours. What are they doing differently?	12/13/2015 11:21 AM
6	Downtown is a lost cause. No one is willing to step up and restore the buildings or rent them out. Who owns all these buildings that are sitting empty? Why are they empty? Is it because of the City? Is it because of lack of compliance, lack of grants? Is it because of the direction it runs? Downtown should be a "Service" Center, not the "Retail" center of Lonsdale.	12/12/2015 4:06 PM

## Lonsdale Comprehensive Plan

7	The city needs to offer better support for businesses in town and possibly better tax breaks for someone starting a new business either new construction or on main street.	12/12/2015 9:15 AM
8	Circle of life, I hope someone in the city has gone to business classes. Bring in more larger businesses, eventually main street will prop itself back up. Get on the property owners to renovate, and offer reasonable rent of the buidlings.	12/11/2015 2:00 PM
9	Now here is the BIGGEST waste of money!	12/11/2015 7:10 AM
10	The epicenter is key for the entire communities revitalization.	12/10/2015 11:52 AM
11	see previous comments. Make a part of our history So many cities have no DOWNTOWN. MAIN street indicates downtown when entering a city, Building maintenance to maximize the historic flavor. Encourage use of buildings as quickly as possible to maintain a reason for visitors.	12/6/2015 4:08 PM
12	I'm assuming "preserve" means keeping it as it is. I'm not sure what else it could be other than retail and gathering...?	12/4/2015 11:22 PM
13	But city has decided to built up on east side of town rather than utilizing what is already here	12/4/2015 5:15 PM
14	Would like to see downtown grow with better retail stores. Not many people shopping antiques on daily basis	12/2/2015 8:17 PM
15	It would be nice if we could get more tenants/businesses in the downtown. I realize that would mean that the people who live in the town need to support those businesses too.	12/2/2015 4:14 PM
16	watch the TED TALK James Kunstler: How bad architecture wrecked cities	12/2/2015 12:15 PM
17	But it needs to be 'dressed up' a bit; many of the stores/storefronts need work - and that includes the Chamber of Commerce :)	12/2/2015 4:56 AM
18	Buildings are old and outdated, a complete overhaul would be needed. But never from tax payer funds.	12/1/2015 10:16 AM
19	As a gathering place, I'd say important (for Community Days, etc.). It just fits so much better for that. As far as Retail, I'd say both in and out of downtown could be equally focused.	11/27/2015 4:51 PM
20	The whole Main Street businesses with the exception of a few should be torn down, allowing the chiropractor to build the house like structure on Main Street.	11/27/2015 11:26 AM
21	we currently don't have the right/enough buildings to support a functional downtown. tear much of it down and start over.	11/26/2015 10:09 AM
22	Nice to see it like stillwater. ...preserved buildings with hip stores/ antiques/coffee MO shop	11/25/2015 4:13 AM
23	Almost without fail, communities that have lost their Old Downtown identity have regretted the loss.	11/24/2015 10:59 PM
24	Once again I'd love to see something compared to Northfields Main Street obviously not as big	11/24/2015 7:32 PM
25	it should be preserved, however, is in great need of facelifts and getting buildings back up to code	11/24/2015 6:40 PM

## Lonsdale Comprehensive Plan

39	Has your engineering consultant looked into state grants to help revitalize downtown? My company did some work for a small town (~2000 people) in Iowa and they were able to get half of their sidewalks downtown paid for because they incorporated water quality treatment (raingardens/tree boxes/etc). It was under an Iowa grant, but I would expect this type of grant money would also be available in Minnesota through the Legacy funds. Whomever is doing the plans for the street upgrades should be able to look into this for you!	12/2/2015 7:56 AM
40	it was and is fine the way it is.	12/2/2015 6:03 AM
41	More small business.	12/1/2015 4:16 PM
42	COFFEE SHOP AND BAKERY	12/1/2015 11:12 AM
43	Open Businesses	12/1/2015 10:46 AM
44	nothing	11/30/2015 9:27 PM
45	I think we have wasted too much money already	11/30/2015 5:55 PM
46	Would love to see the water treatment plan in the middle of willow creek surrounded by evergreen trees - its an eyesore. I believe that the lots would sell better over on this end of town in the development here if that was covered. Wish that was not in the center of the nicest development in town.	11/30/2015 1:40 PM
47	Do something with the abandoned buildings.	11/30/2015 12:07 PM
48	We need more business	11/30/2015 10:25 AM
49	raze several of the buildings and start over	11/30/2015 9:24 AM
50	promote use of vacant buildings,, ie South Forty	11/29/2015 8:40 PM
51	I feel downtown is great the way it is.	11/28/2015 8:46 PM
52	Everything listed we already have. You have plenty of parking at Trinka field	11/28/2015 4:26 PM
53	Businesses	11/28/2015 1:40 PM
54	stores	11/28/2015 12:07 PM
55	Promoting buildings to be occupied on main street.	11/28/2015 9:46 AM
56	none of these ideas or anything else is going to bring more people to downtown.	11/27/2015 3:25 PM
57	I would pick all of them to be honest. It looks terrible and its small vs. other communities so it should be easy to update.	11/25/2015 7:45 AM
58	I don't see that the relatively large percentage of parking spots lost to the Central/Main intersection improvement was ever addressed.	11/24/2015 10:59 PM
59	Some of the buildings look terrible	11/24/2015 10:16 PM
60	Whatever's cheapest	11/24/2015 9:52 PM

45	Everyone is going to put big chains as their request. Why not make Lonsdale unique and offer incentives to small businesses to open unique gift shops, coffee shops and entertainment and put them directly on Hwy 19 and affordable being the key word here. If you want retail businesses to thrive in Lonsdale, you need a good location and affordable rent or incubation rate. Cause let's face it, it's hard for any business to survive on a town of 3800 residents.	12/12/2015 4:06 PM

10	my son shoots archery and I still don't know where the new range is	12/9/2015 12:43 AM

26	I've lived here for three years and still don't know where all the parks are.	11/24/2015 9:59 PM
27	Unless you live here in town there really aren't signs for the schools, the legion, things that aren't directly off of 19. Even the post office. I couldn't tell you where any of the parks are except for the one that I live the closest too.	11/24/2015 8:43 PM

1	Water is too hard	12/17/2015 11:24 AM
2	No competition with telephone and telecommunications	12/17/2015 11:03 AM
3	You can not drink the city water	12/17/2015 10:11 AM

## Lonsdale Comprehensive Plan

4	No competition means outrageous prices	12/17/2015 10:01 AM
5	Both "cable" options have their issues	12/17/2015 9:30 AM
6	I feel that the water bill is rather high, compared to other cities not too far away. It would be nice if these were a little lower.	12/16/2015 12:06 PM
7	Telephone - meaning mobile - Lonsdale is known as the no coverage city. It used to be a "unique" trait, however with more and more people passing through on smart phone/devices - they will drive through and not stop quicker if they don't have any signal. Give them a signal and they will stay.	12/15/2015 1:58 PM
8	internet goes out frequently cable needs to be rebooted	12/15/2015 8:47 AM
9	Internet is always slow. I test and document it. Trying to find a different carrier.	12/14/2015 11:52 PM
10	Cost per month is high	12/14/2015 11:37 AM
11	cable, electircal, telecommunications- need more options	12/14/2015 8:48 AM
12	City needs to address publicized concerns with water quality and sewer drainage issues.	12/13/2015 1:24 PM
13	It should be a requirement to have all sump pumps linked to storm sewer. Also it would be nice to keep the standing water to a minimum to help with mosquitos on the top of 8 th ave NW, deer ridge st and Tom Jirik Ct.	12/13/2015 1:22 PM
14	Cable goes in and out along with Internet. Having other choices other than media on would be nice	12/12/2015 9:33 PM
15	The storm drains on Main street plug alot	12/12/2015 9:08 PM
16	Ssteel Waseca is very expensive compared to other utility companies, there is lack of coompetition for internet and cable and that can be expensive and while you say our water is safe to drink and is under the allowable contaminate levels for humans alot of the residents don't use the city water for drinking. Not to mention the creek that has been polluted.	12/12/2015 4:06 PM
17	Mediacom is our only high speed internet options with high cost and intermittent service	12/12/2015 12:15 PM
18	water price is outrageous	12/12/2015 10:29 AM
19	Internet with Mediacom is terrible	12/12/2015 9:48 AM
20	My water us cloudy and taste bad unless it runs a while. Also, I want to set up auto pay, but don't feel being charged extra for that is right.	12/12/2015 9:15 AM
21	Electricity goes out too much.	12/12/2015 9:04 AM
22	Weekly, I have issues that require me to reset my breaker, cable box or modem	12/11/2015 8:39 PM
23		12/11/2015 7:51 PM
24	Only because of water issues that have plagued Lonsdale for years. Between quality and brown water treatment.	12/11/2015 2:00 PM
25	We had to pay the previous owners water bill when we moved in. City hall kept telling us that we use 10,000 gallons in 10 days	12/11/2015 12:35 PM
26	Way to high	12/11/2015 5:12 AM
27	Steele Waseca is raping us!	12/10/2015 9:17 PM
28	Internet we can only choose between Mediacom (aweful customer service) or Lonsdale Tel (shaky service, at best). Water rates are outrageous. I pay more monthly for water than I did quarterly for a joint bill of water and garbage before moving to Lonsdale.	12/10/2015 8:38 PM
29	We've had poor customer service at the phone company when we had problems with the Internet.	12/10/2015 7:43 PM
30	not allot of options to choice from	12/10/2015 4:32 PM
31	Too expensive	12/10/2015 4:13 PM
32	Having only 2 options for cable and internet besides switching to dish is frustrating. Very Disappointed in Mediacom	12/10/2015 1:59 PM
33	Mediacom has a horrible signal here.	12/10/2015 1:05 PM
34	Get rid of SWEC, More phone, Internet options	12/10/2015 12:52 PM
35	SWCE is expensive	12/7/2015 9:55 PM
36	Water is way expensive, almost \$100 a month is crazy!!! It absolutely sucks having a sewer drain in your back yard, where the water just pools. Cell service is patchy.	12/7/2015 1:09 PM

## Lonsdale Comprehensive Plan

37	the water is has a lot of sediment in it	12/6/2015 12:40 AM
38	We moved here from Prior Lake where the cost of water was half of what it is here. When I called to find out why it was so expensive I was told it was due to a new water treatment facility, however, I'm not sure what it does because the water here has so much rust and calcium in it! Either I'm paying more for someone else to have good water, or the water before was sludge.	12/4/2015 11:22 PM
39	The water taste is nasty!	12/4/2015 9:03 PM
40	Have a lot of issues with Internet	12/4/2015 8:35 PM
41	Sewer and water is expensive and not very good	12/4/2015 7:32 PM
42	Expensive	12/4/2015 7:03 PM
43	We are forced to use your electricity and we are forced to travel to upgrade Internet	12/4/2015 5:28 PM
44	Internet is slow and Culver in backyard backs up into our house when it rains	12/4/2015 5:12 PM
45	Internet is slow and tv/phone/cable prices keep going up when service goes down	12/4/2015 4:48 PM
46	The city should look into municipal broadband internet. See Chattanooga, Tennessee, but on a smaller scale.	12/4/2015 4:11 PM
47	The water pressure is lower than we had been used to from our previous home in another town.	12/4/2015 11:41 AM
48	water is not good.	12/4/2015 8:37 AM
49	When we were using the Lonsdale Telephone Co for cable we had frequent incidents of the service not working. We switched to satellite and haven't had issues.	12/3/2015 10:23 PM
50	Willow creek development has terrible storm drainage design, especially between backsides of houses	12/3/2015 8:09 PM
51	cable is good if Lonsdale telephone is used.	12/3/2015 11:03 AM
52	Why isn't garbage listed? I don't want to have to go with Waste management, I want to be able to choose my own service provider.	12/2/2015 4:14 PM
53	There should be more options than LTC. Our internet speed has gone way down, and it is unreal how much they charge for a phone line (we finally just dropped it and use our cell phones).	12/2/2015 7:56 AM
54	streets should be swept more to clear drains	12/2/2015 6:03 AM
55	Cable TV from Lonsdale Telephone - many times the picture breaks up	12/1/2015 9:33 PM
56	Water bill is very high	12/1/2015 9:29 PM
57	My husband has a hot spot through his cell phone carrier (Sprint) and we can't use it because he doesn't get good cell phone coverage in Lonsdale.	12/1/2015 3:16 PM
58	Pricing for utilities has risen since building my house, I have standing water on my property after every rain and it pools I front of my driveway. There isn't a drainage system on my property	12/1/2015 1:32 PM
59	SWEC is outrageous!! Additional cable vendors are needed	12/1/2015 1:04 PM
60	My sewer portion of my bill every month is very high. Power dependability in our city seems sketchy at best.	12/1/2015 10:16 AM
61	Taste very very bad, have to buy water	11/30/2015 9:27 PM
62	Water is quite expensive	11/30/2015 6:55 PM
63	Too expensive, not reliable enough	11/30/2015 5:55 PM
64	We should be allowed to have a separate waste water and water lines for sprinklers and outside water. Water is expensive in Lonsdale.	11/30/2015 1:40 PM
65	Do not like that there is only two choices for phone or internet. Why does the sewer rate have to be so much on the water bill? Why does one side of town only have one electrical company choice? Those that have Steele waseca are paying far more for electric than those with excel.	11/30/2015 11:49 AM
66	Mediacom is the worst and overcharges	11/29/2015 10:16 PM
67	Water systems are over 100 Years old in downtown and older residential areas and have exceeded state code.	11/28/2015 4:26 PM
68	Media com for internet is less than ideal. Though, it's the only provider that offers the speeds I need.	11/28/2015 4:16 PM
69	Frequent outages with MediaCom.	11/28/2015 2:08 PM
70	Poor service and high prices	11/28/2015 1:40 PM

## Lonsdale Comprehensive Plan

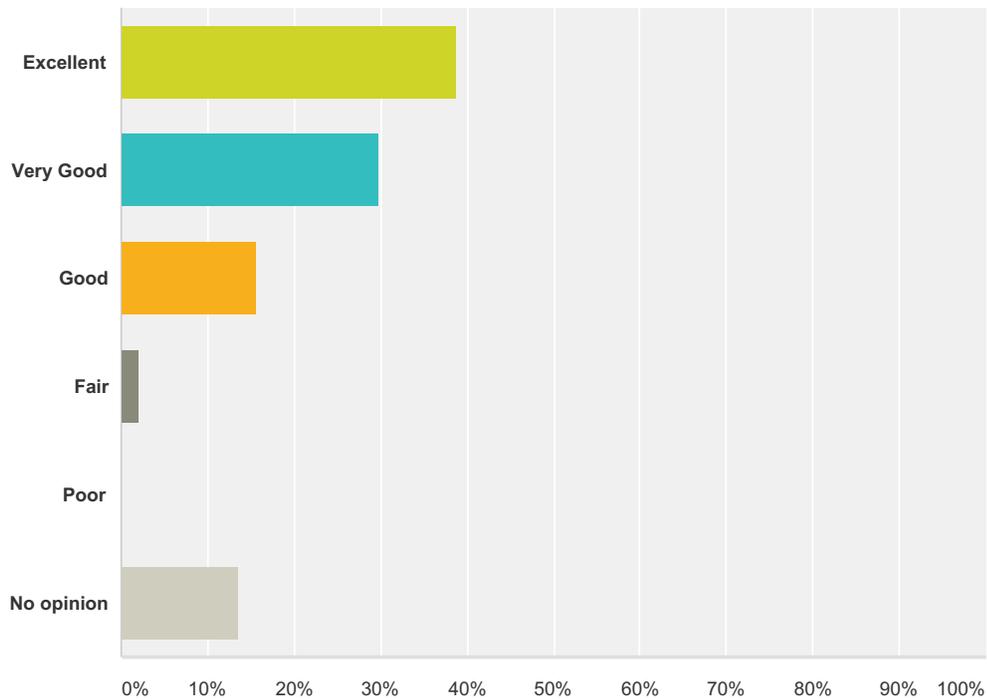

71	Both internet providers haven't worked very well (Mediacom and Lonsdale Telephone Company)	11/28/2015 12:12 PM
72	Mediacom Cable sucks...more options are needed.	11/28/2015 12:18 AM
73	electric is over priced compared to all towns around us more then double	11/27/2015 11:40 PM
74	not much to chose form	11/27/2015 3:25 PM
75	Gas volume and presure are not high enough for commercial demands.	11/26/2015 7:51 AM
76	Seems like I have low water pressure issues quite frequently.	11/26/2015 12:02 AM
77	Steele Waseca is TERRIBLE!!!	11/25/2015 2:49 PM
78	Want more options for tv/internet	11/25/2015 2:03 PM
79	The electrical company has been raising everyones bills for no reason!	11/25/2015 12:37 PM
80	Water still has a bad taste, we expected an improvement when they drilled the new well	11/25/2015 11:22 AM
81	lots of issues with cable signal and internet can be spotty	11/25/2015 10:25 AM
82	price gouging	11/25/2015 8:36 AM
83	Tap water is toxic, but you know that.	11/25/2015 7:32 AM
84	Lonsdale cable is affordable--like it. Those who want 'On Demand' hate Mediacom and Lonsdale cable does not offer it.	11/25/2015 6:50 AM
85	Limited options	11/25/2015 6:21 AM
86	My water smells like rotten eggs	11/25/2015 4:13 AM
87	TV has poor pictur quality like the intranet freezes. Electricity is too expensive.	11/24/2015 10:16 PM
88	When there was a water switch over they turned off water at peak times and we didn't receive a notice but the neighbors did.	11/24/2015 9:59 PM
89	Water not the best.	11/24/2015 9:47 PM
90	Steel waseca has a very high rate.	11/24/2015 9:14 PM
91	More choices. Mediacom sucks.	11/24/2015 9:06 PM
92	When it rains we usually have a river in our back yard.	11/24/2015 8:43 PM
93	Our electricity is insanely high	11/24/2015 8:36 PM
94	I don't think I've ever paid this much for water on any city I've lived in. Is this going to go down eventually? \$74 a month is really expensive and we don't even drink the water!	11/24/2015 8:17 PM
95	Mediacomm is poor Steele waseca is ridiculous over priced	11/24/2015 8:05 PM
96	Not enough choice of providers	11/24/2015 7:50 PM
97	Choice between Exel Energy or Steele Waseca	11/24/2015 7:41 PM
98	Soft water would be nice so we wouldn't need water softners	11/24/2015 7:32 PM
99	Like to see ditch along co Rd 4 and ditch along hwy 19 filled in with underground drainage. Eye sore, dangerous for children on trail, smells when hot. Not pleasing along trail.	11/24/2015 7:31 PM
100	Wish there were more options for cable and internet	11/24/2015 7:27 PM
101	Water quality is not that great local phone is to expensive internet is spotty	11/24/2015 7:15 PM
102	Water should not be beige	11/24/2015 7:12 PM
103	water appears to have more iron than ever, stop raising rates, make those in city not on city water/sewer connect	11/24/2015 7:08 PM
104	Lots of flooding, poor planning of drainage in a lot of places	11/24/2015 7:00 PM
105	Steele wAseca is very high priced no matter what energy saving techniques are used	11/24/2015 6:53 PM
106	Cable and how it works is antiquated	11/24/2015 6:51 PM
107	People in different parts of town pay more.	11/24/2015 6:46 PM

## Lonsdale Comprehensive Plan

108	The pricing is AWFUL high for electricity under Steele and Waseca County Coop. Water bill could been bit lower considering we felt we used the same amount of water in Faribault prior to moving here.	11/24/2015 6:40 PM
109	GET RID OF STEELE WASECA! Please. We are going broke over it.	11/24/2015 6:23 PM
110	Our electric bill is ridiculous with Steele Waseca - we lived in a higher cost city/state and our bill was never over \$60 and now it is consistently \$250+	11/24/2015 6:22 PM
111	Cost	11/24/2015 6:19 PM
112	why do people have to choose between Steele Waseca and xcel/Centerpoint because there seems to be a huge price difference between the 2	11/24/2015 6:12 PM
113	Steele waseca is high! Choices are limited.	11/24/2015 5:27 PM
114	Steele waseca coop is rip off and way to expensive even if you have energy star rated appliance it doesn't seem to make a difference they are way to expensive!!!	11/24/2015 5:25 PM
115	Water/sewer is too expensive	11/24/2015 5:09 PM
116	Mediacom sucks, Lonsdale telephone doesn't have on-demand, electric is overpriced with the Co-op	11/24/2015 4:35 PM
117	have always had issues with the cable "freezing"	11/24/2015 7:55 AM

1	I don't know if we are adequate in this area so I don't know. I have never needed this service and hope I never have to. I do appreciate their dedication and hard work to this community.	12/12/2015 1:08 PM
2	Full time dept would be better	12/11/2015 9:34 PM

1	Force needs to be more steady. No a place to get experience then move on to bigger and better	12/17/2015 10:01 AM
2	How many new squad cars (SUV's) do you think we need?	12/14/2015 9:09 PM
3	However, I am very scared of the lack of proper dog etiquette in this town. I have been chased by dogs on the trails several times, and owners do not seem to take leash laws seriously. It is very scary, and I would not recommend a dog park unless there is a way to improve overall dog laws.	12/14/2015 12:04 AM
4	Officers are more interested in bsing with people then enforcing the law. Response times are horrible. They always seem to come up with an excuse not to look into an issue.	12/13/2015 11:51 PM
5	Need more officers on duty at one time	12/13/2015 4:51 PM

## Lonsdale Comprehensive Plan

7	Bring the ALS ambulance back for 24hr coverage.	12/12/2015 11:56 PM
8	I do like the 24 hour police now compared to the past. It makes me feel a little bit safer even though this is a pretty safe community as far as I know.	12/12/2015 1:08 PM
9	I've called 911 the routing service from my cell phone was extremely poor and inadequate I'm concerned about my safety because of this, I was routed to Rochester dispatch and then I believe I was transferred to Owatonna	12/12/2015 12:15 PM
10	The Police Department doesn't seem to be adequately staffed indicating that there are problems. I believe there is a lack of support from City Hall and the elected Officials.	12/11/2015 8:39 PM
11	Based on complaints on facebook lonsdale page, I'd say more tickets need to be issued for speeding/failing to signal, etc etc.	12/11/2015 2:00 PM
12	There seems to be a lot of "Officer arrived on scene, did not locate..." and that implies slow response. Juvenal law enforcement is a joke.	12/10/2015 8:38 PM
13	Lots of vandalism, car break ins etc.	12/10/2015 7:00 PM

25	More patrols for fast driving in residential areas	11/27/2015 11:26 AM

2	You only see them out on national night out where are they the rest of the year other than at the police department.	12/13/2015 11:51 PM
3	Is there any?	12/11/2015 12:35 PM
4	If these programs exist there isnt enough promoting of these events	12/10/2015 6:32 PM
5	never heard of anything to do with it	12/10/2015 4:32 PM
6	Needs more organized events	12/10/2015 4:13 PM
7	I'm not sure if there is a lack of offerings or if I'm not aware of them - I recall a couple events throughout the year, but that's all.	12/10/2015 1:39 PM
8	I liked the larger gathering at Jaycee Park	12/9/2015 9:37 PM
9	Would love to see 1 gathering spot in each quadrant for National Night Out or meet at Jaycee Park as in previous years	12/9/2015 1:25 PM

## Lonsdale Comprehensive Plan

10	Lack of communication/ last minute advertising for national night out, not sure of bike safety and or any other types of programs	12/8/2015 8:54 PM
11	I am not aware of any bicycle safety training or anything else other than national night out.	12/7/2015 7:12 PM
12	They have no national night out.	12/7/2015 6:58 PM
13	Our area does not do national night out and we have heard nothing about public safety outreach	12/4/2015 7:32 PM
14	would like to see more participation and awareness regarding these events	12/2/2015 10:09 PM
15	I never hear about when these events are taking place.	12/1/2015 3:16 PM
16	PLEASE BRING BACK THE BIG NATIONAL NIGHT-OUTS LIKE WE USED TO HAVE A JAYCEE PARK.	12/1/2015 11:12 AM
17	it's geared more towards young children	11/29/2015 4:07 PM
18	Didn't know that Lonsdale even had any outreach programs	11/28/2015 4:26 PM
19	None of this exists in our neighborhood	11/25/2015 2:03 PM
20	Fire department goes to schools about fire awareness. Police should do the same and talk about bike, stranger, and general safety. Also educate on littering, noise, and vandalism laws.	11/25/2015 6:50 AM
21	More gas done years ago than now.	11/25/2015 6:21 AM
22	I don't feel it us promoted enough.	11/24/2015 9:06 PM
23	on't really know about any of these options.	11/24/2015 8:43 PM
24	I never know where a national night out is!?	11/24/2015 8:25 PM
25	I have never heard of any of these in Lonsdale	11/24/2015 8:20 PM
26	Should offer bike safety for kids and have article in paper for driver/pedestrians in crosswalk rules. I don't know if they all understand what to do.	11/24/2015 7:31 PM
27	Very little outreach in last 2-3 years	11/24/2015 7:12 PM
28	Not enough notice or advertisement about it	11/24/2015 6:40 PM
29	There isn't anything done. When we first moved here, there was an awesome National Night Out at JayCee's park with the fire department and police there, and the kids got to use a fire hose and see the boat used by the police. I haven't seen a program like this since.	11/24/2015 6:30 PM
30	Haven't heard a thing about it. You'd think in a small town there would be more talk of it.	11/24/2015 6:23 PM

1	Water and sewer rates have really increased. Are we doing our best to keep these charges fair?	12/17/2015 10:19 AM
2	No need to Mow every ditch in the 5 mile perimeter of Lonsdale. I see the ditch's and wetlands being cut.	12/14/2015 9:09 PM
3	Why waste my breath. No one will take any residents concerns about the City seriously.	12/12/2015 4:06 PM
4	New curb was installed by my home. Over winter the plow busted out a chunk of it. It's an eyesore. I've called or come to city hall 3 times and nothing has been done. I'm still paying for this curb in my taxes and can't seem to get any city official to fix this damage.	12/12/2015 9:15 AM
5	The condition of the streets and lack of upkeep on the parks and trail system. Otherwise the services are good.	12/10/2015 6:32 PM
6	Lonsdales services are great but not for us that live slightly outside the city limits. I say this because I live 1.5 miles out of town and am not in the Lonsdale police jurisdiction..It has taken the Sheriff officers 25 minutes to get to my house while my soon to be ex beat me. This is nonsense. Meanwhile the 911 operated asked to hang up with me after 5 minutes so I was left on my own with my young son for 20 minutes while I waited for the Sheriffs officers to arrive. Although I was bleeding from my hip to my ankle and my wrist to my elbow, they didn't list it as a domestic on the police report let alone take him to jail. On the other hand the Lonsdale EMS and Fire Dept. services are fantastic! Great people and fast response time!	12/9/2015 12:43 AM

## Lonsdale Comprehensive Plan

7	My main concern is the price of the water. My rates hardly change from Winter/Summer; when we water our grass, fill up pools & play in sprinklers. Jan/Feb/March we really conserve due do to the average sewer rates.	12/7/2015 1:09 PM
8	all the dept could be a little more customer friendly since we pay their wages.	12/6/2015 10:39 PM
9	It would be nice to have a better way to communicate with the community. We have lived here for a year and I hear about things after they've taken place that would've been fun to participate in. I had relied on the news paper to get the majority of our information of what's going on in town, but we do not consistently get it at our house and I don't know why that is either.	12/1/2015 3:16 PM
10	All of them need help or upgrade	11/28/2015 4:26 PM
11	Police driving though neighborhoods with all their lights off. We DONT live in St. Paul or Minneapolis.	11/28/2015 1:40 PM
12	snow plowing sucks, some street lights don't work, mostly public works sucks.	11/27/2015 3:25 PM
13	great mosquito control	11/25/2015 8:36 AM
14	The price of water/sewer in this town is insane.	11/24/2015 9:59 PM
15	As long as you don't have issue its ok	11/24/2015 7:12 PM
16	Signing up auto pay for utilities and my bill not getting paid	11/24/2015 5:14 PM
17	I think this survey is a good start but - the city admin/commissions don't listen to people on the chickens, there are too many police cruising around than necessary for amount of crime, and not enough things for young adults or people with young kids to do in town.	11/24/2015 4:35 PM

3	Many of the buildings in the downtown area need improvements.	12/16/2015 12:06 PM
4	(1) Buildings on Main Street do NOT reflect the Lonsdale community that a "tourist" would experience when they drive into town from either end of Hwy 19. The buildings are an embarrassment and no one will sustain a new business in the old buildings unless they are drastically remodeled or torn down. (2) When groups put up banners - the banners should be maintained, the current Lonsdale First banners - chamber, business, and city should have fixed them long ago instead of leaving them lay around - really shows that no one cares about "Lonsdale and Lonsdale First"	12/15/2015 1:58 PM
5	As stated before, issues with lots of excess "stuff" (RV/motor homes, cars, food truck, garbage, propane tanks) in driveways and on streets. Also, south main street look closed down.	12/14/2015 11:37 AM
6	Leaving town going towards I-35 the hill before the clinic looks like crap with dirt and rocks piled up. Just needs to be cleaned up of that stuff or finish whatever project is going on there.	12/14/2015 8:48 AM
7	Blight is a big issue in the community.	12/13/2015 11:51 PM
8	Roads need improvement	12/13/2015 4:51 PM

## Lonsdale Comprehensive Plan

9	The overhead wires look messy. Bury them and get nice pole lights, planters, railings in some areas. ie Chaska, Apple Valley all appear well groomed as you drive thru.	12/13/2015 4:02 PM
10	Businesses on Industrial Boulevard (Lonsdale auto repair shops area) should pave their dirt driveways - it is a mess. The "For Sale" storage building next to Lonsdale Auto is a mess and has had a van with a flat tire in the parking lot since last summer. The residences along Highway 19 approaching Main Street should take better care of their properties because this is the first thing people see when driving into Lonsdale. Their is a lack of pride by some homeowners.	12/13/2015 1:52 PM
11	Many eye sores - older homes, older businesses, newer home with parking areas that are not hard surfaced. Businesses on Industrial Boulevard off of Hwy 19 need to clean up their acts - fencing, unpaved parking lots, vehicles that have been parked for months on some business sites.	12/13/2015 1:24 PM
12	Downtown Main Street is pretty disgusting the South Forty Bldg is abandoned and has been since we moved here. The adjoining buildings next to it are in disrepair, and further down the block, I believe it's called Something for All new and used- this building is a disgusting eye sore. The only quality building on the southwest block of Main Street is Pat's meat market. Something must be done about the esthetics, whoever tries to purchase the buildings on this block should need to submit a Beatification plan before they're able to purchase or lease the space- or the city needs to demo the buildings and invest money here. Why are our taxes dollars going toward more industrial parks?! Yet another eye sore for the community, this shouldn't be the first thing people see when they drive into our town. Poor city planning has gone into the industrial zoning in this town, very disappointing. The Dollar Store should have never been approved on the current site. Why has the town abandoned development near the grocery store and Liquor Store- this area should have been further developed for retail with local tax dollars.	12/12/2015 12:15 PM
13	Downtown needs a ton of work BEFOE any new projects! It's the heart of the city and it looks abandoned and run-down.	12/12/2015 9:49 AM
14	The downtown area looks too run down	12/12/2015 9:48 AM
15	There is nothing very good looking about our city. Little historical "in your face" value stressed in this being an old train town, or a large Czech heritage that once lived here.	12/12/2015 9:15 AM
16	Very drab, needs more color	12/11/2015 5:12 AM
17	People don't take care of their yards. City is so concerned on how a new house looks but the neighbors yard has stuff and tall weeds all around it.	12/10/2015 8:43 PM
18	Coming into town from the North could be improved. The towing and other place out there always look a mess!	12/10/2015 7:00 PM
19	Main street looks old and tired. I like the old buildings but the upkeep needs improvement.	12/10/2015 6:32 PM
20	Downtown buildings need businesses in them!	12/10/2015 3:06 PM
21	Downtown buildings look awful.	12/10/2015 1:05 PM
22	Depends on where you are. Some areas just look ghetto.	12/7/2015 1:09 PM
23	alot of "mish-mash" development along hwy 19,business districts need to be established whether it is a commercial building or a house that lays in the path. As these buildings become available city needs to redirect usage. Buildings coming up the primary streets established as business need to preserve the historic or modern design as dictated by the bylaws of area. This primarily relates to the exterior fausad not the interior necessarily.	12/6/2015 4:08 PM
24	Downtown businesses are an eyesore.	12/6/2015 7:48 AM
25	I think buildings on the outside are nice, but main and along railway look rundown.	12/5/2015 10:12 PM
26	Downtown appears empty, dated, and dilapidated, with no desirable stores. Lonsdale is not perceived as a touring/shopping destination the way Northfield, New Prague, or even Montgomery are. We simply have nothing to offer but housing and parks.	12/4/2015 9:04 PM
27	more inviting signs, clean up downtown. More shops for tourists. Places to eat!	12/4/2015 7:03 PM
28	Bed room community	12/4/2015 5:15 PM
29	Fill up another valley with tract homes so we can all leave.	12/4/2015 8:37 AM
30	Main Street looks like a dying community. It could use a developers hand in redesign and use.	12/3/2015 3:04 PM
31	The neighborhoods look nice but downtown/main street looks old and outdated. When my family from out of town comes in, it is embarassing to drive through downtown	12/2/2015 8:17 PM

## Lonsdale Comprehensive Plan

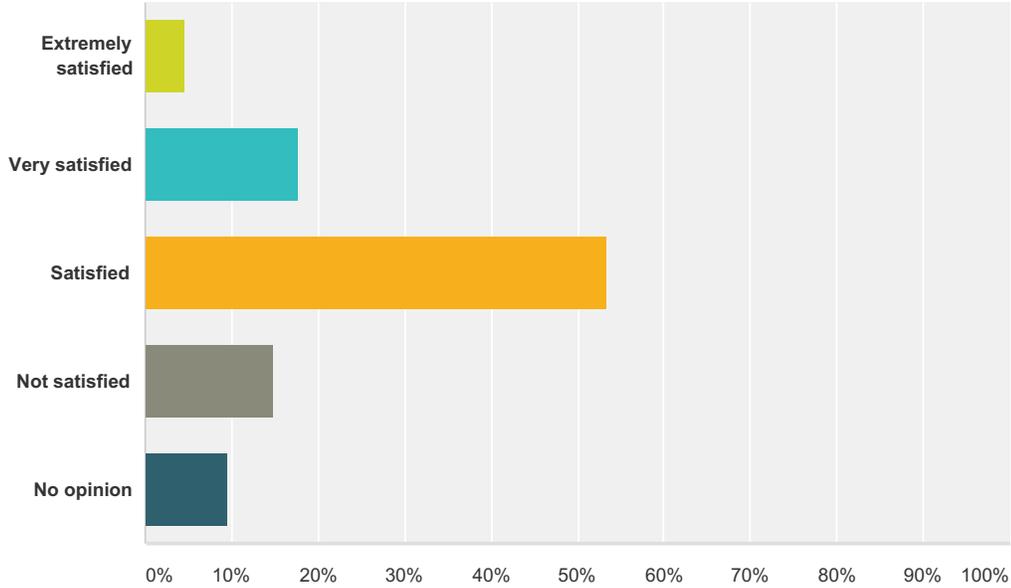

32	Both of the edges of 19 look like Fred Sanford owns them. We have nice welcome signs and then junkyards just beyond them.	12/2/2015 12:15 PM
33	I'd say good or very good - except that downtown really needs work.	12/2/2015 7:56 AM
34	With the exception of some businesses on Main street; could use some 'sprucing up.'	12/2/2015 4:56 AM
35	Some of the business fronts on Hwy 19 could use some updating.	12/1/2015 4:16 PM
36	There are several vacant buildings on Main Street and on 19 (as you approach Main street) that are an eye sore. The store fronts could be spruced up a bit with new awnings, etc for a cleaner look.	12/1/2015 3:16 PM
37	It reflex the way it was 30 years ago. Does not reflect change/current design. If the city wants to grow with more families I, it needs to change with the times.	12/1/2015 1:32 PM
38	Downtown needs some tlc	11/30/2015 2:14 PM
39	The downtown area needs a makeover and they need to rethink the stores they have down there. No one wants all those antique shops that doesnt bring anyone downtown.	11/29/2015 10:16 PM
40	more care needs to be taken on weeding both of the "welcome to Lonsdale" signs removing dead trees	11/29/2015 4:07 PM
41	Most building in the downtown area could use a face-lift to add curb appeal.	11/29/2015 9:57 AM
42	Building facade looks run down. I would love small town charm. Maybe the gas lamp look.	11/28/2015 2:08 PM
43	It depends on where you are in the city, the more downtown you get the worse it is, people do not always seem to take pride in the older homes in Lonsdale and keep up on tasks in the yard.	11/28/2015 9:46 AM
44	Industrial park sites dispersed throughout the city, pole buildings in the downtown area, Ugly Dollar General in a prime location encroaching on a fine neighborhood. Retail should be concentrated closer to downtown. Dollar General promised a nice looking building with stone - painted cement blocks are not stone! The occupant of that location should be required to have a better building than the car wash. The city looks run down and uninviting. Enforce existing ordinances to maintain property. Ticket people who park rv trailers on city streets and vacant lots they don't own.	11/27/2015 8:56 PM
45	It's great until you turn on to main st	11/26/2015 10:09 AM
46	downtown is a sad sight...dead	11/25/2015 2:49 PM
47	downtown looks worn - the signage on businesses is a bit shoddy and there are many out of business buildings that look poor	11/25/2015 10:25 AM
48	Needs to uplift downtown. People driving through may feel a lack of coziness, welcomed. Looks vacant. A lot of people use 19 for access to 35. Feels If people drive right through. Never a destination.	11/25/2015 7:53 AM
49	Main Street is so run down	11/25/2015 6:30 AM
50	Downtown looks desolate and run down	11/25/2015 4:13 AM
51	Still need to give a better impression via Main Street (Old Downtown)	11/24/2015 10:59 PM
52	Dumpy downtown	11/24/2015 9:47 PM
53	Downtown is dumpy looking.	11/24/2015 9:06 PM
54	MAin street looks run down and empty	11/24/2015 8:43 PM
55	Down town is run down and as you come into Lonsdale over the hill you see metal buildings and fencing	11/24/2015 8:20 PM
56	Main Street looks desolate. Run down industrial parks	11/24/2015 8:14 PM
57	Need to update downtown business and try to open up buildings that are empty.	11/24/2015 8:02 PM
58	Maon street is poor looking with empty businesses for many years	11/24/2015 7:12 PM
59	Northeast side of town needs more cleaning up to do to preserve the appearance of Lonsdale	11/24/2015 6:40 PM
60	The buildings downtown are looking rundown. So many empty storefronts add to a desolate feeling.	11/24/2015 6:30 PM
61	Updates and clean up of downtown would really help.	11/24/2015 6:23 PM
62	Needs updating, looks run down and desolate	11/24/2015 6:07 PM
63	Downtown needs a severe face lift	11/24/2015 5:31 PM
64	Buildings on main street need upkeep/face lift	11/24/2015 5:25 PM
65	Main street is run down	11/24/2015 5:24 PM

## Lonsdale Comprehensive Plan

66	The downtown area looks blighted, a large overhaul is necessary.	11/24/2015 4:35 PM
67	East side of town looks great, but while sitting at the stop light intersection, Main Street is lacking curb appeal. Nothing says, "turn on my street", "come visit me" An out of townner is going to continue of their way!	11/24/2015 2:25 PM

3	No one wants to pay taxes.	12/17/2015 10:19 AM
4	Taxes to high	12/17/2015 10:11 AM
5	My tax money is not well spent.	12/14/2015 9:09 PM
6	commercial property taxes are extremely high, no way we are using that much city servicesDon't	12/14/2015 12:54 PM
7	Police and fire department are good but items the city council have control of (up keep of city, listening to issues/ concerns, etc.) is very disappointing. I don't feel that they listen very well to what the people want to see done, they just do whatever is cheapest or the quickest fix, and brush issues aside until it a bigger problem.	12/14/2015 8:48 AM
8	Taxes are high for the services that are provided.	12/13/2015 11:51 PM
9	City counsel refuses to listen to residents. At every city counsel meeting, they have already made up their mind.	12/13/2015 2:07 PM

## Lonsdale Comprehensive Plan

10	I do not like the fact that our tax dollars have been spent to develop another industrial park! This is not what people should see when they enter our town. Taxes should have been spent to improve and beautify the buildings on Main Street	12/12/2015 12:15 PM
11	taxes are way too high	12/12/2015 10:29 AM
12	Still burnt about my damaged curb with no response from the city after 3 attempts.	12/12/2015 9:15 AM
13	Taxes are too high....for what???? There's nothing to see for them being this ridiculously high, do we live in Minnetonka OR WHAT. It's outrageous.	12/11/2015 9:57 PM
14	too high	12/11/2015 5:09 PM
15	Essentially they are hiking property taxes and offering little to no improvements. For someone whom uses little to no services besides snow plowing, police/fire(not yet needed thankfully), water/sewer (which we pay for), and road maintenance. The tax increase seems rather silly.	12/11/2015 2:00 PM
16	Taxes go up, but I haven't seen a change	12/11/2015 12:35 PM
17	Property taxes have reached very high prices. I still have to drive out of town to run most of my errands.	12/10/2015 11:52 PM
18	I am paying 1,000 more than Lakeville for the same value house. There is nothing in this town...absolutely no reason for taxes to be that high....we live in the middle of no where!!	12/10/2015 9:17 PM
19	seem like the taxes go up for the small changed I have noticed	12/10/2015 4:32 PM
20	Taxes are high for the services received	12/10/2015 4:13 PM
21	Too much for no improvements in services	12/10/2015 12:52 PM
22	I am unaware what our taxes are being used for.	12/7/2015 1:09 PM
23	my taxes have sky rocketed since moving down here and yet services have remained the same.	12/6/2015 10:39 PM
24	It seems like our taxes keep going up for stuff the public doesn't necessarily need or want.	12/6/2015 12:40 AM
25	For the amount of taxes we pay we receive very little services.	12/4/2015 9:03 PM
26	Some city employees could use an attitude adjustment. They are to serve the citizens not themselves.	12/3/2015 3:01 PM
27	I moved to a small town. I don't need a million parks or monuments. one kid park is plenty! one dog park would be awesome and the trails are nice for everyone-not just kids. this town caters to kids. what about the adults and the adults with dog kids??!!	12/2/2015 6:03 AM
28	Our taxes are over \$4,000. That is more than what we paid in Northfield which is a much better developed community and has many more offerings to the community. I don't understand why our taxes are as expensive as they are in Lonsdale.	12/1/2015 3:16 PM
29	Property taxes have increased substantially, without the money going into anything substantial for the community.	12/1/2015 1:32 PM
30	Taxes too high, mayor and council don't plan very well. Too much is being spent in support of the local, overpriced businesses.	11/30/2015 5:55 PM
31	Snow plowing	11/30/2015 6:49 AM
32	I'm currently satisfied but every effort should be made to cap the current rates for the next five years. I'm also interested in supporting a Community center for Lonsdale.	11/29/2015 2:16 PM
33	kinda high taxes and not much changes other then PARKS	11/29/2015 11:45 AM
34	Already listed in previous questions	11/28/2015 4:26 PM
35	I feel as though the taxes are too high for the services that are received in the city. I've seen substantial increases each year, with very minimal change.	11/28/2015 4:16 PM
36	Taxes go up every year to build things we don't need and the road don't get plow properly.	11/28/2015 1:40 PM
37	Taxes are higher than our former home near Minneapolis due to a lower tax base. If the appearance of the city was more inviting there might be more interest in driving this far to live.	11/27/2015 8:56 PM
38	public works director thinks he runs the town and the city planner thinks he has an important job.	11/27/2015 3:25 PM
39	Its ridiculous how high our taxes are for living in such a small town with NOTHING to do in it. We have to drive 20+ miles to do anything...I want to know why they are so high	11/25/2015 2:49 PM
40	Our tax dollars go to things which we do not use/need in regards specifically to the schools.	11/25/2015 2:03 PM

## Lonsdale Comprehensive Plan

41	Again as with the earlier question above regarding a tax increase, I live out of town and probably shouldn't count.	11/25/2015 1:15 PM
42	We need more things for families and kids to do. we also need better schooling. and cleaner schools.	11/25/2015 12:37 PM
43	Not satisfied by the amount we pay Rice County in relation to what we receive back from the county	11/25/2015 11:22 AM
44	the \$75k stoplight was a waste, but otherwise ok	11/25/2015 10:25 AM
45	I rent	11/25/2015 8:36 AM
46	Taxes are going up significantly every year. I don't feel its justified.	11/24/2015 9:14 PM
47	Our high taxes are not proportionate to our services	11/24/2015 8:36 PM
48	Sell the liquor store, put budget on website, put ALL items on agenda and ALL documents city council receives in packet online	11/24/2015 7:08 PM
49	Extremely high in this town	11/24/2015 7:04 PM
50	Less services= lower taxes	11/24/2015 7:00 PM
51	I think residents should get a break down of exactly where our tax mo way is going.	11/24/2015 6:23 PM
52	No idea where all the money goes and nothing to show for it	11/24/2015 6:07 PM
53	I pay taxes and no one can tell me what can be done about the standing washer in the ditch behind my house. I'm the only one affected by it and get no where when calling the city and am told to call the county and they tell me to call the city.	11/24/2015 5:31 PM
54	It's run down	11/24/2015 5:24 PM
55	More mosquito conto nw	11/24/2015 5:23 PM

#	Responses	Date
1	Plan for children. Bring in businesses	12/17/2015 11:24 AM
2	Keep the Mayor and Council from mixing city business & tax dollars with personally owned business. Ie. Rud Construction & Industrial Park.	12/17/2015 11:14 AM
3	Get more manufacturing for town.	12/17/2015 11:03 AM
4	Keep taxes at a minimum. Keep a small town atmosphere.	12/17/2015 10:44 AM
5	Make sure that new projects are for the good of the entire community not just a few individuals. It always amazes me how people can spend someone else's money and feel so proud of it.	12/17/2015 10:34 AM
6	Keep things simple.	12/17/2015 10:19 AM
7	I take one day at a time	12/17/2015 10:11 AM
8	Larger City lots. Allowing raising of chickens. Community Center. A Red Box.	12/17/2015 10:06 AM
9	A plan is great, but the ability to react quickly is greater. Make plans just don't be wedded to them.	12/17/2015 10:01 AM
10	Have the EDA help active businesses to keep going with improvements; not give money to everyone who comes along; which the EDA was not designed for. I organized this EDA and get no credit for.	12/17/2015 9:35 AM
11	Keep doing what you are doing. You are doing a Good Job	12/17/2015 9:30 AM
12	lower taxes, lower costs for permits	12/16/2015 4:32 PM
13	Fix/maintain what we have before we go and build new ones.	12/15/2015 11:17 PM
14	More online publication of events using popular modes of technology, videos, virtual reality tours of our town, videos recapping events, more exposure for businesses. You've got to expand the online market, this is our world now. If you want us to participate and be knowledgeable, you've got to be in the medium. There are people who are willing to help out with this.	12/15/2015 6:30 PM
15	Help mediate with the volunteers who commit to events and bettering the city of Lonsdale. It feels that there is a disconnect between many businesses and the city and the chamber. These three should be partnering together for the public view. That is not happening now. This survey is a great new way to do this! Kudos!	12/15/2015 1:58 PM
16	Please examine the amount of electricity costs for Steele Waseca. When compared to other companies in Lonsdale, SW charges a lot more per kwh and there is a \$25 monthly service charge. We are frugal with our electricity, but are having trouble being able to afford this utility bill. It could be a major factor which will cause us to move away from this area.	12/15/2015 1:20 PM
17	Expand community offerings. Create unique parks (variety around town), including dog park	12/15/2015 2:47 AM
18	Dog park is a must, trash cans on walking paths, dog on leash enforcement, atv regulations	12/15/2015 2:45 AM
19	I will be involved and provide my opinion	12/14/2015 9:09 PM
20	More awareness of lease law for dogs. Bee keeping should be allowed with regulations.	12/14/2015 8:52 PM
21	Don't over do it.	12/14/2015 5:59 PM
22	Don,t be in the land developement business. No reason to spend tax payer money on a business park with no tenants.	12/14/2015 12:54 PM
23	Please beware of the dollars needed to pursue development objectives. The City may want to consider an infrastructure trust fund to fund future road projects.	12/14/2015 9:17 AM
24	Need to grow the activities and amenities in town for all ages. Right now we typically travel for majority of our entertainment and activities since very little is offered or held in the town of Lonsdale.	12/13/2015 8:17 PM

## Lonsdale Comprehensive Plan

25	Do not like Dollar General as first store you see as you drive in towards town. Not very impressive. A Dollar Store on main street instead. Community center, restaurants, along Hwy 19 shows town of activity. more canopies on store fronts. buy up homes along east entrance to town and make sidewalks and clean it up.	12/13/2015 4:02 PM
26	We pay a fortune for are houses and pay taxes of of \$4100, don't tell me what trees I plant and what animals I have in my yard. It is none of your business.	12/13/2015 2:07 PM
27	Improve Main Street by making it more attractive, thereby enticing retail and other businesses to the city.	12/13/2015 1:52 PM
28	Keep the community involved, I did like this survey however it was longer then I expected	12/13/2015 1:22 PM
29	CHICKENS! YES!	12/13/2015 11:21 AM
30	Focus on growth and redevelopment of small businesses and job opportunities before focusing on any more population surges. Consider additional school building option in lonsdale future.	12/13/2015 3:26 AM
31	I would like to see the store on Main Street open and not standing empty	12/12/2015 9:08 PM
32	Keep it a small town, I see nothing positive in growing except more traffic, more noise. Why all the focus on growth ?? Keep it small.	12/12/2015 5:21 PM
33	Stop investing our money on industrial sites- this is not improving our community, and town esthetics. We need to invest in our families and small business owners, and develop a plan for an independent Lonsdale school district and rec	12/12/2015 12:15 PM
34	more restaurants, more companies with better paying jobs.	12/12/2015 9:15 AM
35	The city really needs a dog park and indoor hockey rink these two things would bring the city closer together and would be able to meet more people within the community	12/12/2015 8:30 AM
36	Do something with the tax money, don't pay a certain someone to build up a business district and profit millions for it to sit empty now in 2015... good luck for 2035+	12/11/2015 9:57 PM
37	I have appreciated all the business additions that have been put in during the time we've lived here-Subway, Dollar General, etc. I would like to see that continue. I also think having a recreation center would be great!	12/11/2015 6:43 PM
38	The water is expensive here. We pay per month what we paid for three months worth of water at our last residence.	12/11/2015 6:04 PM
39	People move to town, and immediately expect full city entertainment/shopping to move in asap. The fact is, its a small town, and will be probably until 2040 or more with Northfield and New Prague so close. You can do some things to improve the city, but the biggest thing is getting businesses that provide good employment. Be it assembly, etc. It will help draw the town out of the "sleep in community" status.	12/11/2015 2:00 PM
40	Focus on what makes small town living in rural Minnesota great. Lonsdale doesn't need to be a big city to be a success. There are already too many Wal-Marts in the world. Try to focus on keeping our town unique, local, and quaint.	12/11/2015 12:12 PM
41	Keep this town small, that's why we moved here. If I wanted big city living I would have stayed where I was. Keep trouble out.	12/11/2015 5:12 AM
42	Don't charge such high fees for permits.	12/10/2015 8:43 PM
43	Having the development of a community center be the top priority for the city. Not putting more into the business park and instead focus on renovating the Main Street America charm of downtown from the dilapidated run down look it currently has.	12/10/2015 8:38 PM
44	I believe these surveys help. Doing these every three to five years is a good idea	12/10/2015 6:32 PM
45	maye school if lonsdale continues to grow. also activites or something for older kids so they don't run around town.	12/10/2015 4:32 PM
46	Larger lots for residential areas. Lower speed limits in residential areas. More places for kids to go to. Esp teens and places for adults to meet other than at a bar	12/10/2015 4:13 PM
47	School size--if the community continues to grow a larger school/more parking is going to be needed.	12/10/2015 1:59 PM
48	As the city has grown there have been pockets of business areas that developed. It would be nice to see these areas grow before having additional pockets of commercial areas develop as the city grows. I would love for Lonsdale to be more of a destination city rather than a drive through town. I think of Montgomery developing the brewery and apple orchard; New Prague has a couple vineyards; Northfield has a bustling downtown. Each of these cities have golf courses, bowling alleys and generally more opportunities for community involvement/organizations. It would be great to see Lonsdale have some of these amenities. I know these are privately owned/run businesses in the other towns, but perhaps there is a way the city can encourage these businesses to come to town.	12/10/2015 1:39 PM
49	More retail.	12/10/2015 1:05 PM

## Lonsdale Comprehensive Plan

50	Listen to the wants of the people without backwards thinking-get with the times. (Ex-chicken debate). Make this a city where people can approach with ideas and receive the respect they deserve	12/10/2015 12:52 PM
51	A lot of people/businesses in town are struggling or barely making it, need to stop the assessments, we can not continue to build on the idea of many, but paid for buy a few. Why should a few people have to pay for something everyone uses?	12/10/2015 12:16 PM
52	The City should be an inviting place, where people want to move to. A place where they can feel a sense of community. A wholesome, safe place to live. The Veterans Memorial is a wonderful addition to the city. A place where people can gather, and at the same time honor/remember those from our community who served our country.	12/10/2015 11:24 AM
53	I appreciate that you are asking for the residents thoughts regarding the future of Lonsdale.	12/9/2015 1:25 PM
54	Replace the city administer with someone who can run something more than a roadside lemonade stand.	12/7/2015 6:58 PM
55	fix up main street without sticking the tax payers with the bill. I would like to see a water park area in the field by the villages of lonsdale. rolling ridge developement could use a park.	12/6/2015 10:39 PM
56	mentally redefine ourselves as a growth area. Let surrounding communities know we exist. THEN reach beyond to the population at large. Plan for future schools as we grow we will need. Look at appropriate areas for churches within the neighborhoods. These needs all come with growth.	12/6/2015 4:08 PM
57	Really enjoy how the city has put money into the development of trails, parks.	12/6/2015 7:48 AM
58	Please don't develop anymore. The biggest attraction to this town for me was the small size and tight, friendly, extremely kind and helpful community.	12/6/2015 12:40 AM
59	I like the idea of expanding the opportunities for business (light manufacturing, telemarketing, call centers, etc.) to open doors here. Increase jobs and help with the tax base.	12/5/2015 10:24 PM
60	Affordable housing and industry	12/5/2015 10:12 PM
61	The only complaint I would have is that I've been here for a year, been to city hall twice and had very very rude service by one particular person both times. I don't remember his name, but it was when I was getting a permit.	12/4/2015 11:22 PM
62	As the southern suburbs continue to grow and highway planning won't keep up, it will become even harder to cross the river at rush hour for jobs up in the city. Business growth that will provide more career opportunities in the area would be great, but connecting Lonsdale to the metro with busing, carpool programs, or support for train system expansion will help keep professional families moving to Lonsdale.	12/4/2015 9:04 PM
63	We have a lot of great parks but we need more of a variety of parks to support other sports and activities, not just baseball parks.	12/4/2015 9:03 PM
64	None other than above comments.	12/4/2015 7:32 PM
65	More business and a possible ret center	12/4/2015 5:12 PM
66	Look into municipal broadband internet. One of the greatest desires of wealthy young people is fast, consistent internet service. The investment could easily pay for itself with the enormous rise in property value.	12/4/2015 4:11 PM
67	I know many people are pushing for a change to allow chickens. A solution the city may be able to offer is to suggest a community chicken coup. This allows those that want to participate the opportunity and also the city the ability to monitor the coup. A coup could be built i each quadrant of the city and residents could pay a membership fee to be a part of it. It would be no different than a community garden.	12/4/2015 12:13 PM
68	If Lonsdale wants to be a viable progressive community its leaders need to look beyond short sighted comforts and be more inclusive and tolerant of others and their ideas. The city needs to support and help develop those ideas for the good of the community.	12/3/2015 3:04 PM
69	Grow slow and steady with emphasis on commercial and retail.	12/3/2015 3:01 PM
70	get a city council that isn't in it for their own gain, and you know exactly what I am talking about and who these people are.	12/3/2015 12:07 PM
71	We need industry. Not simply retail. Our residents already leave town to work. That is where they are spending their money. If there were jobs in town, more people would stay in town, thus making it stronger as a whole.	12/3/2015 11:03 AM
72	Part of the charm of Lonsdale is that it is a small town ..that being said.. we still need to keep up to date with technologies and amenities that are in demand. these things help to draw in new and keep the existing residents .There needs to be a focus on schools and how families value a great education system and sports program.	12/2/2015 10:09 PM
73	More retail and restaurants	12/2/2015 8:17 PM

## Lonsdale Comprehensive Plan

74	Please, please don't let a big box business come into the area. Keep the small, close-knit community that we have grown to love.	12/2/2015 4:14 PM
75	Please watch James Kunstler: How bad architecture wrecked cities on TED Talks	12/2/2015 12:15 PM
76	I didn't want to put fair/poor under city services because I think the police department is great. However the amount of vandalism and theft that went on this summer was very disappointing. My guess is it is bored kids. Some kind of teen hangout would be a good addition to the community - an arcade? A bowling alley?	12/2/2015 7:56 AM
77	stop trying to be something you can't-a big city. people should not move here and try to make it like a big city. move here cuz you like what it is. move out if you want a big city. and if the original Lonsdale resident people on council were sick of living in a small town, they should have moved to a big city-not tried to make a nice small town into a big city.	12/2/2015 6:03 AM
78	Keep the building standards high; ensure 'solid' businesses are encouraged to become part of Lonsdale	12/2/2015 4:56 AM
79	Keep housing and taxes affordable for traditional middle class families. continue to offer recreational activities that offer big benefit to cost ratio. keep school class sizes small, we don't need every room with new technology. Produce a safe environment at a good cost and the city will continue to grow.	12/1/2015 9:15 PM
80	none	12/1/2015 6:43 PM
81	If you're going to build all these houses, you are not a "small town". You need to provide business/ attractions to keep people here and to attract others to the area.	12/1/2015 1:32 PM
82	I WOULD LIKE TO SEE ADDITIONAL COMMERCE REMAIN IN LONSDALE. BRINGING IN THE RIGHT BUSINESSES COULD OPEN UP THE NEED FOR MORE JOBS FOR OUR YOUNG PEOPLE AND PARENTS WHO NEED PART-TIME EMPLOYMENT. ADDITIONALLY OUR COMMERCIAL TAX REVENUE COULD INCREASE.	12/1/2015 11:12 AM
83	As stated in previous comments. I do think we should keep the mentality set forth going forward that we are a small town and want to stay that way. Therefore making the planning not dependent on growth, but on servicing and maintaining what we have now. Most of us know we live in Lonsdale for the small town aspect of it and we drive for work to support out families but love to come back to this small town at the end of the day. I urge you to plan to keep it this way	12/1/2015 10:16 AM
84	The continuation and/or increase of mosquito spraying. We would gladly accept a property tax levy for this specific service if the city budget was not able to fulfill this needed service.	11/30/2015 9:58 PM
85	Need a comprehensive sewer/water strategy. Need a more earth friendly philosophy.	11/30/2015 5:55 PM
86	A city pool for children and families would be a great improvement and provide an external place for activity and community connection.	11/30/2015 3:49 PM
87	How to make the city more memorable and to have more landmarks...somewhere you'd want to have your family pictures taken...I think we have so many ponds in this town if we could make a park with a bike trail around it and make a big pond - perhaps even somewhere you could have a place to rent paddle boats. Thinking something like silver lake in Rochester. I think Alexandria had a beautiful park with a trail all around it too...Lonsdale could do something like this by the industrial park area...Not sure what the plan is for all the new grassy areas - Soccer fields? Love that the brush dump was moved out of that area - its much prettier now. Thanks!	11/30/2015 1:40 PM
88	Expanded grades in the Lonsdale school is needed to prevent children open enrolling out of the district. More parking at the school is also needed as parking for events in way below adequate.	11/30/2015 12:06 PM
89	Need to fill the business park	11/30/2015 10:25 AM
90	I look at Lonsdale as being a commuter town which takes jobs, services and retail out of our town. To help improve tax expense it would be good if some of that money were to stay in town.	11/30/2015 6:49 AM
91	I would just love to see lonsdale grow and be able to bring in new restaurants and a community center maybe even a target down the road. We need to get away from the small town crap and get into the 21st century.	11/29/2015 10:16 PM
92	encourage small business growth	11/29/2015 8:40 PM
93	Highway 19 really should be expanded to 4 lanes between Lonsdale and Northfield. This is the single biggest long term transportation need as both of these towns continue their rapid growth.	11/29/2015 5:17 PM
94	I would like to see a community center and pool built.	11/29/2015 3:57 PM
95	Continue to invest in high quality single home development while enforcing established covenants. One suggestion for home builders is to include gutters and decks in the price of the home.	11/29/2015 2:16 PM
96	Fill the downtown businesses.	11/28/2015 2:08 PM
97	Stop using the mayors construction company for jobs and make it competitive.	11/28/2015 1:40 PM

## Lonsdale Comprehensive Plan

98	Keep it family friendly	11/28/2015 10:24 AM
99	I do not know how to plan a city so I don't know how to help you, I would like the town to stay the same as it is.	11/28/2015 9:46 AM
100	Create a comprehensive zoning plan and stick with it. We purchased our home in a nice section of town and pay high taxes then find out zoning has changed, our new neighbor will be an industrial park and compost site. Industrial areas are essential but should not cause blight on the city. Industrial areas should be kept to one area and screened with landscaping.	11/27/2015 8:56 PM
101	I've mentioned most opinions already but having a conduit like this to communicate my praises and concerns is great. Many like myself may not have the time to attend community meetings, may not know they even were scheduled or have the time to research current events, city planning, etc. Having a variety of methods for us citizens to voice these concerns, like this survey, is a great way to reach more of us. I'd hope, perhaps, that more such surveys would be offered more often. Furthermore, I feel having a builder like JB Woodfitter / St. Vincent in the area (the one who built my home and others in this development on Hawaii St) will really help attract long term residents. These homes are much higher quality and another reason why I chose Lonsdale. Because of their higher standards and builds this year, that ultimately raised the value of my home appraisal, I was able to refinance and further solidify remaining in this community. Along with these and the other items of focus Lonsdale has focused on, I think things can only get better.	11/27/2015 4:51 PM
102	Why do we have a treatment plant in the middle of town on a hill? Why do we have residential, then industrial, then residential again, then a business park? This town is a hodge pod of locations, everything is scattered everywhere, seems like poor planning.	11/27/2015 3:25 PM
103	Increase tax income to the city by added businesses to the city	11/27/2015 1:50 PM
104	lonsdale	11/26/2015 11:35 PM
105	Downtown should be a destination. Keep our rolling hills free from cookie cutter houses that look like Orrin Thompson built them.	11/26/2015 10:09 AM
106	Restaurants, entertainment, shopping	11/26/2015 8:41 AM
107	Some of us moved here for the quiet, small town appeal. If people want more shopping or conveniences they can move to a different town that offers that.	11/26/2015 12:02 AM
108	Need stuff for the teens to do.	11/25/2015 5:09 PM
109	getting more grade levels in town, jobs and increased tax base, street reconstruction projects continue	11/25/2015 4:28 PM
110	COMMON CORE IN THE SCHOOLS NEEDS TO GO! the schools need to be cleaned more.. we need an ice arena we need a splash pad we need a soccer field	11/25/2015 12:37 PM
111	Keep investing in the school and the STAFF of the school. A good school is key to a smaller town's success! Invest in the arts.	11/25/2015 11:53 AM
112	Need businesses growth in industrial park, with good paying jobs!	11/25/2015 11:22 AM
113	Fill in businesses in downtown. Too many vacant	11/25/2015 11:12 AM
114	bringing in small business - creating a viable downtown.	11/25/2015 10:25 AM
115	Support local businesses, limit big box stores and provide more services to the elderly.	11/25/2015 9:08 AM
116	no chickens	11/25/2015 8:36 AM
117	Sport Court/Basketball court in Kalina Park. Neighborhood is hilly. Nice to have a flat surface to play on vs. a sloped driveway. Also nice for little ones to ride scooters, learn to bike on.	11/25/2015 6:50 AM
118	Encourage employment opportunities to prevent further identity as a 'bedroom community,' while retaining the small, semi-rural, community atmosphere.	11/24/2015 10:59 PM
119	I love Lonsdale, but we need to be more realistic that's it's a small town in the middle of nowhere. It's a great place to raise a family and grow old. This town should allow chickens and many other things need to be updated. You don't allow ferrets but allow people to leave their cars and boats on the street for weeks on end. It seems that there needs to be a more democratic approach to changing things.	11/24/2015 9:59 PM
120	Attract businesses with decent jobs. Bedroom community = failure.	11/24/2015 9:47 PM
121	Keep small town feel, however give us more than crappy dollar store. That isn't going to stop me from driving to lakeville or elsewhere.	11/24/2015 9:06 PM
122	Start cracking down on blight. Hard. People have no pride in their house/property. And it reflects badly on the neighbors.	11/24/2015 9:06 PM
123	continue adding amenities for families	11/24/2015 9:03 PM

## Lonsdale Comprehensive Plan

124	Main Street needs to be revamped and the downtown needs curb appeal. I would love to see some more small businesses in Lonsdale. A family restaurant for one. One that isn't attached to a bar... Something like "grandmas goodies " where a family can go to get a brunch after church on a Sunday.	11/24/2015 8:20 PM
125	I would really like to see more opportunities for our pre-teen and teenage kids. I think k a community center would be a great investment for our city.	11/24/2015 8:12 PM
126	Keep going the way we are .	11/24/2015 8:02 PM
127	I think that lonsdale should have its own public school system and break away from tri city United.	11/24/2015 7:32 PM
128	Need to be proactive on residents concerning blight, not cutting their grass/weeds. There are a few places in town that are real eye sores.	11/24/2015 7:31 PM
129	Make advisory boards truly advisory and get council members off them. Public hearings put on agenda at time agenda item discussed. Public hearing provided at council meeting not just at advisory board level. Get non-zoning items out of zoning codes and into general ordinances.	11/24/2015 7:08 PM
130	Kennel licenses for dangerous breeds of dogs need to be more seriously consider	11/24/2015 6:53 PM
131	Bringing more small business and retail that would provide for the younger generation would be a plus. Striving to keep taxes low with business park and maintaining the parks and trails to a higher standard.	11/24/2015 6:51 PM
132	Keep the ball fields in shape possibly make a true little league baseball field	11/24/2015 6:46 PM
133	I like they Lonsdale is small. It's OK to not have everything in this town, it's what makes it a small town	11/24/2015 6:40 PM
134	Please stop adding business and houses. I do not like to see Lonsdale trying to grow. A lot of people move here for the small town atmosphere and now that we see the glow of Dollar General's lights in the night it is staring to loose that. Update downtown first. If we can have a cute and historic downtown I think that would be far more beneficial.	11/24/2015 6:23 PM
135	I would like to see Lonsdale grow into the type of town that New Prague has become. High quality of life while still very heavily community oriented.	11/24/2015 5:56 PM
136	We need activities to do in town. Families here are always "on the go" to other towns to meet needs not here in Lonsdale. I also think a pool/aquatic center would be a great place for families and teens to stay active.	11/24/2015 5:27 PM
137	Mayor and council members are doing a great job.	11/24/2015 5:26 PM
138	Model your planning after Lakeville.	11/24/2015 4:35 PM
139	It would be nice to see a gas station on the west side of town. Lots of traffic at intersection of Hwy 19 and Cty Rd 2. Small strip mall near Snap fitness. As school districts grow more need for gym space, ice time, and field availability is going to be needed. An indoor facility with walking track would be great for seniors to stay active and mobile in the winter months. Downtown area needs a face lift! Some businesses have a done a decent job with it, while others have done very little. Flowers, trees, lighting would make a difference! I do not like the idea of apartment complexes. They are easily taken over and run down looking. We need options for our kids as they grow older. It would be nice to have more than 1 basketball court in town.	11/24/2015 2:25 PM
140	Focus on I-35 (quick access to the Twin Cities, promotional signage, sewer service to I-35 land)	11/23/2015 4:21 PM
141	Attract retail business to keep people in and around town on off days. Attract big business in various industries to provide jobs of different types (industrial, tech, office).	11/19/2015 7:51 PM

11	more businesses in town	12/16/2015 4:32 PM
12	additional funding for improvements on the downtown and facilities to draw families.	12/16/2015 12:06 PM
13	Dog park. I'd like to see leadership opportunities for younger kids on our town council, we need to change their reputation within rival cities (Northfield, New Prague). They see Lonsdale kids as discipline issues and lower achieving kids in the schools they attend. Give them a voice, set an example, cultivate them, and watch what they can create.	12/15/2015 6:30 PM
14	Community Center needs to be a priority otherwise residents will continue to drive the 10-15 minutes to NP or Mont or Northfield where they will also spend dollars in those cities when they could be doing that in Lonsdale. A Hockey rink, swimming pool, and activity-sports rooms would bring people into Lonsdale, who would then spend additional dollars in Lonsdale while here.	12/15/2015 1:58 PM
15	Get rid of Steele Waseca.	12/15/2015 1:20 PM
16	Dog park. Trash cans on trails	12/15/2015 2:47 AM

18	reduce tax spending.	12/14/2015 9:09 PM
19	Seeing downtown with upgrades to the buildings, and keeping them around for the next generation.	12/14/2015 8:52 PM

27	Addition of a pool - this can be enjoyed by all ages	12/13/2015 8:17 PM
28	Paint the water tower a less ugly and more inviting color.	12/13/2015 4:51 PM
29	Get rid of overhead wires on hwy 19 and install decorative lights and planters/hanging baskets along Hwy 19 and Main street.	12/13/2015 4:02 PM
30	City counsel staying out of my life. I have no interest in the check	12/13/2015 2:07 PM

## Lonsdale Comprehensive Plan

31	Beautify the city.	12/13/2015 1:52 PM
32	Above ground swimming pools on residential properties that are not fenced in,	12/13/2015 1:24 PM
33	Bring business back to Main Street	12/13/2015 1:22 PM
34	Revitalize downtown. Find ways to help building owners procure funds for building improvements. To limit number of vacant, out-of-date Main Street buildings.	12/13/2015 3:26 AM
35	Add a Walgreens	12/13/2015 12:48 AM
36	Look at more "green" possibilities for energy (solar &/or wind). Could communicate with St. Olaf College &/or Carleton College to learn about their goals and plans with their windmills. I also shared the Rockford, MN article about their partnership and the use of solar panels.	12/12/2015 11:56 PM
37	using the field by freds to do something like a drive or walk in movie theater in the summer and maybe charge a few dollars to get in.	12/12/2015 11:13 PM
38	Being able to raise chickens.	12/12/2015 9:33 PM
39	Sidewalks on Main Street	12/12/2015 9:08 PM
40	Main Street revamped	12/12/2015 5:52 PM
41	Stop all the plans for growth.	12/12/2015 5:21 PM
42	Add a public swimming pool or splash pad	12/12/2015 5:09 PM
43	Community Center	12/12/2015 5:06 PM
44	Responsible and professional dialogue between the City Staff, Council and Mayor and the residents. More communication about what new ordinances you guys have come up with to enact that are ridiculous. Such as not allowing recreational vehicles on the roadways. Again, it was probably one of the good ole boys complaining and demanding we need to do something about it now!	12/12/2015 4:06 PM
45	more employment opportunities	12/12/2015 3:56 PM
46	Junior/senior high school, soccer fields, rec for youth	12/12/2015 12:15 PM
47	Community center!	12/12/2015 9:49 AM
48	Main Street facelift	12/12/2015 9:49 AM
49	Hi main street hopping again.	12/12/2015 9:15 AM
50	The reason I moved to Lonsdale is to grow my family in a small town atmosphere. If I wanted to live in a big city, I'd move back there. Please keep Lonsdale small.	12/12/2015 9:04 AM
51	Dog park	12/12/2015 8:30 AM
52	I believe the City needs to focus on Public Safety. Specifically, creating a Police Department that can attract and keep quality Officers. As it is now, quality Officers are leaving as soon as they can find a new job. The remaining officers are here only because other Departments will not hire them. The Police Department building is an embarrassment, and staff operates with the minimum training and equipment. I would also like to see a Local Ambulance Service for quicker responses.	12/11/2015 8:39 PM
53	More businesses so there are more jobs in town. More ways for the community to come together in a positive way. The more people know one another the less apt they are to complain on Lonsdale Happenings.	12/11/2015 7:51 PM
54	I would like soccer fields in town. We had a great soccer program start up this spring, but didn't have adequate fields.	12/11/2015 6:43 PM
55	City pool	12/11/2015 6:04 PM
56	Draw in more mid sized businesses to help balance property taxes and employee locals. i.e. fill out business park.	12/11/2015 2:00 PM
57	Fill in the developments, and business parks we already have before expanding into new ones.	12/11/2015 12:12 PM
58	Move the walking path crossing near the liquor store to a safer location! Can you think of any one single location that could be any more dangerous? I didn't think so.	12/11/2015 7:10 AM
59	Colorful buildings and a recreation center with sports.	12/11/2015 5:12 AM
60	More services provided and for the downtown to be fixed up and rented out.	12/10/2015 11:52 PM

64	Crime and keeping our properties safe and not having to worry constantly about damage being done etc...	12/10/2015 7:00 PM
65	more control over dogs left barking. not every one works a 9 to 5 and some have to sleep during the day police to a better job with preventing thefts that happen	12/10/2015 4:32 PM
66	More business	12/10/2015 4:13 PM

73	More housing and job opportunity.	12/9/2015 10:37 PM
74	Addition of a Community Center with amenities for people to gather.	12/9/2015 1:25 PM
75	It is sometimes hard to see the roads and lines on 19 (Central Ave.) going through town at night. Maybe more lighting in that area. More holiday decorations would be wonderful! I realize it's not a major thing but it sure would look better. Kinda like Northfield does.	12/9/2015 12:43 AM
76	Garbage cans on walking trails	12/7/2015 9:55 PM
77	Water Rates, Garbage Providers (should be able to pick our providers);	12/7/2015 1:09 PM
78	the vehicle speeds on 8th ave slowed down before someone gets hurt. the snowmobile speeds are also a problem with speeding and driving on private yards	12/6/2015 10:39 PM

82	More jobs to sustain a household	12/5/2015 10:12 PM
83	Reliable daycare! Seriously, it's a problem. Most people do not work here and need a place that is reliable and stable.	12/5/2015 10:06 PM
84	Main Street	12/5/2015 4:33 PM
85	MORE RETAIL STORES	12/5/2015 12:31 AM

98	Development of a larger commerce base, retail, services and industrial.	12/3/2015 3:04 PM
99	A signature restaurant or more business and retail.	12/3/2015 3:01 PM

## Lonsdale Comprehensive Plan

100	more commercial businesses with good paying jobs and a new city council instead of this good ole boy mentality. no member of the city council should be able to get any business from the city. this is a major conflict of interest and is not best for the community, only good for them. also post all bids and who there are from in the paper. transparent government in very important and shouldn't be an issue if you have nothing to hide.	12/3/2015 12:07 PM
101	New postmaster.	12/3/2015 11:03 AM
102	road repair, less illegal semi and truck muffler noise on hwy 19	12/3/2015 12:11 AM
103	COMMUNITY CENTER~ teen space, senior space, playdate area for families with young children, hockey rink, swimming pool, exercise space, meeting rooms, concession stand	12/2/2015 10:09 PM
104	updated main street and roads in downtown area	12/2/2015 8:17 PM
105	revamp downtown into something meaningful and usable	12/2/2015 12:15 PM
106	Either revitalizing downtown or putting in some kind of place for teens to hang out.	12/2/2015 7:56 AM
107	no more growth and/or a dog park	12/2/2015 6:03 AM
108	Focus on inviting growing, viable businesses to become part of our community.	12/2/2015 4:56 AM
109	Community center with indoor hockey rink and pool. The amount of money the city would make would outweigh the cost. There are so many people looking for ice time that it makes sense	12/1/2015 9:29 PM
110	allow people to cast there vote, or increase community involvement threw Facebook and the city website. you will get better feedback and discussion.	12/1/2015 9:15 PM
111	pool	12/1/2015 6:43 PM
112	more entertainment/ retail	12/1/2015 1:32 PM
113	New lights on the DRS baseball field	12/1/2015 1:21 PM
114	LONSDALE ELEMENTARY SCHOOL TO BECOME K-5TH GRADE. 5TH GRADE HAS BEEN A TOUGH TRANSITION FOR ALL 3 OF MY KIDS IN THIS DISTRICT AND I WOULD LIKE TO SEE JUNIOR HIGH BEGIN AT 6TH GRADE TO HELP OTHER PARENTS FACING THE SAME CHALLENGE.	12/1/2015 11:12 AM
115	Provide a few more business options to keep more of the residents in town during the day. Also, provides a few more restaurant options to provide jobs and local spending.	12/1/2015 10:46 AM
116	I would love to see a Coffee Shop in Lonsdale. One with a drive thru, but still plenty of seating. I know this is not a city issue by any means. But I have had and am currently doing preliminary research as how to best begin this process. They key to a coffee shop in Lonsdale is that it must have a drive thru to sustain the business through the winter months. To which there is no current available empty commercial space(s) to accompany a drive thru. Unless I am overlooking any spaces in town that would be suitable? The coffee shop would most likely need to be built, and I have the perfect spot in town estimated for it's location. But building versus leasing are 2 completely different things (\$\$\$) to a new business owner. But, I do love this town so much I am not giving up on my research and poking around for more information to make this dream a reality.	12/1/2015 10:16 AM
117	Commercial growth/development.	11/30/2015 9:58 PM
118	more business and more family entertaining options	11/30/2015 6:55 PM
119	Would like the city to build a solar farm and provide power for the residents who are already on the sewer and water systems.	11/30/2015 5:55 PM
120	Pick up for leaves and lawn care. The majority of leaves on our property come from neighboring lawns. This would help with overall clean look of town.	11/30/2015 3:49 PM
121	Improvements to abandoned buildings	11/30/2015 2:14 PM
122	Trees by the waste water treatment plant, I'd volunteer to help if I can. New park/pond area enhanced by the industrial park. Community Center - that all might take longer.	11/30/2015 1:40 PM
123	More places to go out for dinner so we do not have to drive 15-30min to enjoy a meal.	11/30/2015 12:06 PM
124	Restaurant/Fast food/Shopping besides antiques	11/30/2015 11:15 AM
125	Lower taxes	11/30/2015 10:25 AM
126	makeover to the downtown and new stores down there	11/29/2015 10:16 PM
127	Tim Rud not being mayor If you are going to allow people to park on Lisa Klossners drive way like a public road then maintian and plow it.	11/29/2015 8:40 PM

## Lonsdale Comprehensive Plan

128	Downtown is ugly. People don't enjoy shopping or visiting areas that are ugly and unkempt. For example, I will shop at Generation HBC before Lonsdale Hardware every time simply because I don't enjoy being in downtown Lonsdale. Take a look at Northfield's downtown to see how old buildings and infrastructure can be made pretty and an enjoyable place to be and shop. Obviously our downtown is much smaller, but the issue is appearance, not size.	11/29/2015 5:17 PM
129	I can't think of anything right now. I think you are all doing a wonderful job.	11/29/2015 4:07 PM
130	I would like to see a concerted effort to move the entire city of Lonsdale to one school district. I feel it is EXTREMELY important for a sense of community if the families all know each other and their kids go to school together.	11/29/2015 3:57 PM
131	Build a Community Center in Lonsdale.	11/29/2015 2:16 PM
132	Added retail options in the community	11/29/2015 9:57 AM
133	Public Transportation to Mall of America and Airport.	11/28/2015 4:06 PM
134	More restaurants and shops	11/28/2015 3:26 PM
135	A Community Center	11/28/2015 2:08 PM
136	New mayor	11/28/2015 1:40 PM
137	No comment	11/28/2015 12:12 PM
138	Keep doing what you're doing. We love this city!!	11/28/2015 10:24 AM
139	We have an archery range, I would like to see a Public gun range.	11/28/2015 9:46 AM
140	more retail/restaurants in town.	11/28/2015 12:18 AM
141	More business with jobs	11/27/2015 11:40 PM
142	Require the owners of downtown buildings to bring them up to code so they can be occupied with tax paying businesses.	11/27/2015 8:56 PM
143	more restaurants and fast food - delivery.	11/27/2015 6:42 PM
144	Because I'm quite satisfied already with Lonsdale, I'd simply like to see a continuation of the improvements that have been made in my first 5 years here. Taxes have remained low, bike paths and parks have increased, some businesses have been slow or failed to adapt to the smaller community but overall there is a wider selection of businesses than there were when I arrived in 2010. Community days have been just as fun each year (keep that tractor pull, we missed that in 2014), the Cruise remains great with minimal police presence or enforcement but still safe. Keep it up and you will like the results, I am certain. Thank you.	11/27/2015 4:51 PM
145	Hire a new public works director and a new city planner, both are idiots.	11/27/2015 3:25 PM
146	More offerings for kids.	11/27/2015 2:37 PM
147	Main Street	11/27/2015 11:26 AM
148	Ascetics of Hwy 19, and Main street. Looks like drive thru country. More trees, especially pine/evergreen.	11/26/2015 11:35 PM
149	Redevelop and extend downtown with multi-story buildings that have retail with decent condos above, no section 8. You would think that a developer would have interest in that.	11/26/2015 10:09 AM
150	More focus on improving Main Street instead of moving everything to outskirts of town. A gas station/convenience store on NW end of town.	11/26/2015 9:35 AM
151	More downtown business and restaurants or night spots.	11/25/2015 5:46 PM
152	Pool and or indoor hockey rinks	11/25/2015 5:09 PM
153	jobs and increased tax base with businesses in the Lonsdale Business Park	11/25/2015 4:28 PM
154	bring recreation of sorts into town. So we can spend our money here instead of else where	11/25/2015 2:49 PM
155	I'd love a campaign for "Lonsdale Awareness"- citing statistics (if any are available) of revenue we are losing to other towns and big box stores by our own residents.	11/25/2015 1:15 PM
156	We need to build more fast food places and an ice arena.	11/25/2015 12:37 PM
157	Community center	11/25/2015 11:53 AM
158	See answer to #47	11/25/2015 11:22 AM
159	see above. Improve downtown - bring in some businesses	11/25/2015 10:25 AM

## Lonsdale Comprehensive Plan

160	I am a patient at the Lonsdale clinic so come into town frequently and live just outside of Lonsdale, and it would be nice if they would add more doctors there to give people a choice. You have to travel farther away to see somebody different and it can be hard to get in for an appointment. Everybody needs healthcare and it would be nice if they would expand their services too.	11/25/2015 9:08 AM
161	more business	11/25/2015 8:36 AM
162	keep bringing the community together. It feels that families are scattered...some going to northfield, Elko, new Prague, and TCU. Need a reason for them to stay. The elementary school helped that.	11/25/2015 7:53 AM
163	Downtown renovation	11/25/2015 7:32 AM
164	Improve Main Street appearance.	11/25/2015 6:50 AM
165	Adding to our school in town, offering more kids activities in town ( often driving to new prague, northfield, or Montgomery for these things)	11/25/2015 6:41 AM
166	Change the chicken ordinance to allow chickens. Update the Downtown area with new restaurants and desirable shops. Bar food is less than desirable for family dining.	11/25/2015 4:13 AM
167	Would like to see dedicated industrial areas 40-50% filled. Same with available sites in Old Downtown.	11/24/2015 10:59 PM
168	Commercial business growth	11/24/2015 10:32 PM
169	The teenagers in this town are very bored. I don't have any but have several in my neighborhood. We need a teen center, pool, skate park or something to help them during the summer months. I feel this will greatly help the crime during the summer.	11/24/2015 9:59 PM
170	I would love to see Main Street come back to life. A new family restaurant is needed and a coffee shop is demanded. However, the citizens of the town that want these new business need to support them. I'd like to really see the community come together and support our local businesses	11/24/2015 9:45 PM
171	Adding pool or splash pad.	11/24/2015 9:06 PM
172	Fill up the business park with new businesses	11/24/2015 9:06 PM
173	adding more schools	11/24/2015 9:03 PM
174	Main street	11/24/2015 8:43 PM
175	Revitalize main st.	11/24/2015 8:39 PM
176	A nice apartment building - not section. 8	11/24/2015 8:26 PM
177	We need a coffee shop/place for stay at home parents to go during the day! I know there's the moms club but I do not want to have people in my house nor do I feel like chasing my children in some bodies house. An indoor play/climbing area is very needed. Suggest checking out Edinbrough in Edina for ideS!	11/24/2015 8:25 PM
178	Increased entertainment recreational	11/24/2015 8:23 PM
179	a community center with teen programs, senior programs and a pool	11/24/2015 8:23 PM
180	Fix down town and Main Street	11/24/2015 8:20 PM
181	Downtown revitalization	11/24/2015 8:17 PM
182	Water park/ splash pad	11/24/2015 8:14 PM
183	Community center	11/24/2015 8:12 PM
184	Water park swimming pool	11/24/2015 8:07 PM
185	More jobs	11/24/2015 8:05 PM
186	Try to get more seinor housing.	11/24/2015 8:02 PM
187	Help the legion	11/24/2015 7:59 PM
188	Community Center	11/24/2015 7:44 PM
189	Community center	11/24/2015 7:41 PM
190	Fixing main street	11/24/2015 7:32 PM
191	Love to see a community center/city offices building built, with concern for not only youth, but active seniors also. That's one way to keep people from moving.	11/24/2015 7:31 PM

## Lonsdale Comprehensive Plan

192	A pool for family and kids in summer. A teen center would be a good idea also	11/24/2015 7:27 PM
193	Main st s sidewalk so those coming down the big hill can get there safely	11/24/2015 7:14 PM
194	Pay high price for water should not have to filter twice	11/24/2015 7:12 PM
195	Splash pad or pool would be great!	11/24/2015 7:08 PM
196	New leadership	11/24/2015 7:08 PM
197	lower taxes	11/24/2015 7:04 PM
198	Taxes remain the same or lower, stricter budgets, less waste and no more parks!	11/24/2015 7:00 PM

207	Community center and activities for teens	11/24/2015 6:17 PM

209	Downtown renovation/preserve older buildings.	11/24/2015 6:04 PM
210	Figure out how to revitalize downtown. Start enforcing blight offenses.	11/24/2015 5:56 PM
